

GEOHERMAL

FILENAME	DESCRIPTION
3DS03 Geothermal 0001 Bubbles Sputtering Splashes 2.0.wav	Big sputtering bubbles with light splashes. Distant crickets and geothermal activity audible in background.
3DS03 Geothermal 0002 Bubbles Gurgles Detailed 2.0.wav	Detailed gurgling and burping bubbles with light crackling splashes. Distant geothermal activity audible in background.
3DS03 Geothermal 0003 Bubbles Chugging Splashes 2.0.wav	Chugging bubbles with splashes. Crickets and geothermal activity audible in background.
3DS03 Geothermal 0004 Bubbles Small Fast 2.0.wav	Small rapid bubbles varying in intensity. Distant geothermal activity audible in background.
3DS03 Geothermal 0005 Bubbles Small Fast Varied 2.0.wav	Small and medium sized bubbles with large steam vent. Geothermal activity in background.
3DS03 Geothermal 0006 Bubbles Crackle Fast 2.0.wav	Many varied bubbles crackling and sizzling rapidly. Geothermal activity audible in background.
3DS03 Geothermal 0007 Bubbles Boiling Thick 2.0.wav	Large bubbles boiling and chugging with thick fluid movement. Faint geothermal activity in background.
3DS03 Geothermal 0008 Churning Boiling Thick 2.0.wav	Large thick bubbles boiling and churning with a chugging rhythm that varies in intensity over time.
3DS03 Geothermal 0009 Steam Sputtering Fast 2.0.wav	Steam vent sputtering rapidly, with a larger steam vent in background. Geothermal thumps and other geothermal activity audible in background.
3DS03 Geothermal 0010 Thick Splashes Churning 2.0.wav	Thick splashes with churning and consistent bubbling.
3DS03 Geothermal 0011 Boiling Churning Splashes Varied 2.0.wav	Bubbles boiling, churning, and sputtering, varying over time. Featuring a full eruption cycle.
3DS03 Geothermal 0012 Boiling Rolling Splashes 2.0.wav	Large rapid rolling boil with varying splashes in a mud pot.
3DS03 Geothermal 0013 Boiling Churning Splashes Large 2.0.wav	Large churning splashes recorded at a moderate distance.
3DS03 Geothermal 0014 Boiling Bubbling Hissing Waves 2.0.wav	Large bubbling mud pot with hissing and detailed waves. Tonal low frequency thumps and hums from distant geothermal activity audible throughout.
3DS03 Geothermal 0015 Hissing Steam Vent 2.0.wav	Steam hisses continuously from a vent. Distant geothermal activity audible in background.
3DS03 Geothermal 0016 Roaring Rumbling Boiling 2.0.wav	Roaring of large steam vent with bubbles crackling and boiling. Varying in intensity and tone over time.
3DS03 Geothermal 0017 Chugging Surges Cave 2.0.wav	Entrance of cave with low chugging roar and occasional surges of waves. Gentle water flowing and distant geothermal activity audible in background.
3DS03 Geothermal 0018 Deep Roaring Varied 2.0.wav	Deep roaring steam vent that varies in intensity over time. Bubbling and splashes throughout. Distant geothermal activity audible in background.
3DS03 Geothermal 0019 Deep Chugging Rhythmic 2.0.wav	Deep rhythmic chugging with varying delicate waves and splashes. Crickets and distant geothermal activity audible throughout
3DS03 Geothermal 0020 Deep Churning Steam Splashes 2.0.wav	Deep Churning steam vent "breathing" with detailed splashes of varying size.
3DS03 Geothermal 0021 Deep Roaring Eruption 2.0.wav	Deep rumbling roar of large steam vent recorded at a distance. Entire eruption cycle. Distant gently flowing water and geothermal activity audible at times.
3DS03 Geothermal 0022 Deep Roaring Debris 2.0.wav	Large geyser erupting causing volcanic debris and mist to consistently and audibly fall. Distant tonal geothermal activity audible throughout.
3DS03 Geothermal 0023 Eruption Complete Moderate 2.0.wav	Complete large geyser eruption recorded at a distance.
3DS03 Geothermal 0024 Bubbles Gurgles Detailed Mono.wav	Mono recording. Detailed intermittent gurgling and burping bubbles with light crackling splashes.
3DS03 Geothermal 0025 Bubbles Small Fast Varied Mono.wav	Mono recording. Highly detailed small and medium sized rapid bubbles. Geothermal activity in background.
3DS03 Geothermal 0026 Bubbles Crackle Fast Mono.wav	Mono recording. Various size bubbles crackling and sizzling rapidly. Geothermal activity audible in background.
3DS03 Geothermal 0027 Steam Sputtering Fast Mono.wav	Mono recording. Steam vent sputtering rapidly. Geothermal activity audible in background.
3DS03 Geothermal 0028 Boiling Bubbling Hissing Crackling Mono.wav	Mono recording. Small crackling and hissing bubbles.
3DS03 Geothermal 0029 Boiling Churning Splashes Large Mono.wav	Mono recording. Large churning splashes with boiling and hissing.
3DS03 Geothermal 0030 Hissing Steam Vent Mono.wav	Mono recording. Hissing steam vent. Distant geothermal activity audible in background.
3DS03 Geothermal 0031 Deep Roaring Varied Mono.wav	Mono recording. Deep roaring steam vent that varies in intensity. Bubbling and splashes in background.
3DS03 Geothermal 0032 Chugging Surges Cave Mono.wav	Mono recording. Entrance of cave with low chugging roar and occasional surges of waves.
3DS03 Geothermal 0033 Deep Churning Steam Splashes Mono.wav	Mono recording. Deep Churning steam vent "breathing", with splashes in background.
