| FILENAME  | DESCRIPTION   |
|---|---|
| 3DS04 0016 Sunroom Hum Distant Traffic 2.0.wav            | Medium sized tile and glass room during daytime, very reverberant. Distant road noise and electrical hum audible throughout.  |
| 3DS04 0017 Screened Porch Traffic 2.0.wav                 | Traffic and activity audible through screened porch in medium sized city. Occasional drips from gutter as well as clicks and thumps throughout.   |
| 3DS04 0018 Basement Tiled 2.0.wav                         | Tiled basement room with sound of mechanical room nearby. Distant road noise audible at times, occasional clicks and thumps.  |
| 3DS04 0019 Living Room Wood 2.0.wav                       | Wood floored living room with high ceilings. Distant road noise and air traffic audible at times, occasional clicks and thumps.   |
| 3DS04 0020 Bedroom Quiet 2.0.wav                          | Quiet carpeted bedroom. Distant road noise audible at times, occasional clicks and thumps.  |
| 3DS04 0021 Closet Small Quiet 2.0.wav                     | Small and quiet carpeted closet. Distant road noise audible at times, occasional clicks and thumps.   |
| 3DS04 0022 Bathroom Quiet 2.0.wav                         | Quiet tiled bathroom with distant road noise audible at times, occasional clicks and thumps.  |
| 3DS04 0023 Apartment Small Upstairs Neighbors V1 2.0.wav  | Small apartment with faint audible activity from upstairs neighbors. Footsteps, distant voices, and occasional distant traffic.   |
| 3DS04 0024 Apartment Small Upstairs Neighbors V2 2.0.wav  | Small apartment with audible activity from upstairs neighbors. Footsteps, distant voices, unintelligible television, and occasional distant traffic. Taps and knocks throughout.  |
| 3DS04 0025 Room Medium Rain Drops Gutter 2.0.wav          | Gutter provides tonal clicks and clanks with large rain drops hitting it, recorded inside medium sized room.  |
| 3DS04 0026 Bathroom Tiled Rain Drops 2.0.wav              | Very small rain drops fall rapidly against a glass window in a tiled bathroom creating a hiss. As they collect into larger drops they fall to hit plastic siding creating a thunk. Occasional distant traffic at times. |
| 3DS04 0027 Room Large Rain Roof Gutters 2.0.wav           | Rain falls onto roof and gutters creating thunks and clicks, as well as a whirring sound. Recorded in large quiet room. Distant road noise audible at times and occasional clicks and thumps.                           |
| 3DS04 0028 Kitchen Rain Window 2.0.wav                    | Rain falls constantly on kitchen windows and gutters. Appliance noise and high-pitched electrical whine in background. Distant road noise audible at times and occasional clicks and thumps.                            |
| 3DS04 0029 Room Large Rain Gentle Drone 2.0.wav           | Gentle rain falls on roof and gutters in a large quiet room with a low frequency droning. Appliance noise in background. Distant road noise audible at times and occasional clicks and thumps.                          |
| 3DS04 0030 Kitchen Refrigerator Rain Roof Gutters 2.0.wav | Rain falls faintly and consistently onto roof and gutters. Refrigerator present in foreground. Distant road noise audible at times and occasional clicks and thumps.  |

# USA ROOM TONES

| FILENAME  | DESCRIPTION   |
|---|---|
| 3DS04 0031 Room Rain Whirring Roof Gutters 2.0.wav        | Medium sized rain drops falling on gutters and roof at a rapid pace to create a whirring tone. Appliance noise in background. Distant road noise audible at times and occasional clicks and thumps.                           |
| 3DS04 0032 Garage Rain Gutters Wind 2.0.wav               | Rain falls to create tonal drops on gutter while wind blows consistently resulting in low frequency droning. Recorded in cement floored garage. Distant road noise audible at times and occasional birds, clicks, and thumps. |
| 3DS04 0033 City Apartment Night Calm 2.0.wav              | Downtown city apartment at night. Traffic, HVAC systems, building activity and ticking clock audible. Occasional clicks and thumps throughout.  |
| 3DS04 0034 City Apartment Droning 2.0.wav                 | Downtown city apartment. Droning of construction equipment throughout. Traffic, HVAC systems, building activity and ticking clock audible. Occasional clicks and thumps throughout.   |
| 3DS04 0035 City Apartment Construction Traffic V1 2.0.wav | Downtown city apartment. Construction, traffic, HVAC systems, building activity and ticking clock audible. Occasional clicks and thumps throughout.   |
| 3DS04 0036 City Apartment Construction Traffic V2 2.0.wav | Downtown city apartment. Construction, traffic, HVAC systems, building activity and ticking clock audible. More low frequency rumble than V1. Occasional clicks and thumps throughout.  |
| 3DS04 0037 Cafe Empty Rain V1 2.0.wav                     | An empty cafe with the hum of a refrigerator, occasional car passes audible throughout. Occasional clicks and thumps throughout. Sparse air traffic.  |
| 3DS04 0038 Cafe Empty Rain V2 2.0.wav                     | An empty cafe with occasional car passes audible throughout. Appliance hum less audible than V1, rain is heavier. Occasional clicks and thumps throughout. Sparse air traffic.  |
| 3DS04 0039 Office Medium 2.0.wav                          | Medium sized office space in an old building with HVAC sound, computers, and traffic throughout. No workers present. Occasional drips from gutters. Sparse air traffic. Clicks and thumps throughout.                         |
| 3DS04 0040 Office Medium Fan 2.0.wav                      | Medium sized office space in an old building loud fan sound, computers, and traffic throughout. No workers present. Occasional drips from gutters. Sparse air traffic. Clicks and thumps throughout.                          |
| 3DS04 0041 Office Hard Drives Computers 2.0.wav           | Loud humming, whirring, and clicking of hard drives and computer towers in a machine room. Clicks and thumps throughout, sparse road noise and air traffic.   |
| 3DS04 0042 Office Large Computer Hum 2.0.wav              | Large office space with many computers whirring and humming, no workers present. Clock ticking audible throughout. Sparse road noise and air traffic. Occasional clicks and thumps throughout.                                |
| 3DS04 0043 Water Treatment Room 2.0.wav                   | Ticking, whirring, rattling, hissing and humming of water treatment room.   |
| 3DS04 0044 Mechanical Boiler Room Heating Flame 2.0.wav   | Large flame burner heating apartment complex. Sparse road noise and air traffic. Occasional clicks and thumps throughout.   |
| 3DS04 0045 Mechanical Boiler Room V1 2.0.wav              | Large water boiler heating water for apartment complex. Recorded at a distance. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |

# USA ROOM TONES

| FILENAME  | DESCRIPTION  |
|---|--|
| 3DS04 0046 Mechanical Boiler Room V2 2.0.wav            | Large water boiler heating water for apartment complex. Recorded at a moderate distance. Occasional clicks and thumps throughout. Sparse road noise and air traffic.                           |
| 3DS04 0047 Mechanical Boiler Room V3 2.0.wav            | Large water boiler heating water for apartment complex. Recorded closely. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
| 3DS04 0048 Mechanical Boiler Room Small 2.0.wav         | Small water boiler heating water for house. Boiler runs through various cycles. Occasional clicks and thumps throughout. Sparse road noise and air traffic.                                    |
| 3DS04 0049 Public Bathroom Large Ventilation 2.0.wav    | Large public restroom with ventilation fan and dripping water throughout.  |
| 3DS04 0050 Public Bathroom Small Ventilation V1 2.0.wav | Small public restroom with ventilation fan and dripping water throughout.  |
| 3DS04 0051 Public Bathroom Small Ventilation V2 2.0.wav | Small public restroom with ventilation fan and dripping water throughout. Different fan than V1.   |
| 3DS04 0052 Small Tiled Bathroom Small Heater 2.0.wav    | Small heater in a small tiled bathroom. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
| 3DS04 0053 Bathroom Large Heater 2.0.wav                | Large heater in a medium sized bathroom. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0054 Bathroom Ventilation Fan V1 2.0.wav          | Ventilation fan in medium bathroom. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
| 3DS04 0055 Bathroom Ventilation Fan V2 2.0.wav          | Ventilation fan in small bathroom. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0056 Bathroom Small Apartment Shower V1 2.0.wav   | Shower running and occupied in small apartment bathroom. Thumps and clicks from movement throughout. Sparse road noise and air traffic.  |
| 3DS04 0057 Bathroom Small Apartment Shower V2 2.0.wav   | Shower running and occupied in small apartment bathroom. Recorded from a distant perspective. Thumps and clicks from movement and appliance hum throughout. Sparse road noise and air traffic. |
| 3DS04 0058 Bathroom Running Water Distant V1 2.0.wav    | Distant sound of running water in a bathroom through walls. Clicks and thumps throughout, sparse road noise and air traffic.   |
| 3DS04 0059 Bathroom Running Water Distant V2 2.0.wav    | Distant sound of running water in a bathroom through walls. Closer perspective than V1. Clicks and thumps throughout, sparse road noise and air traffic.                                       |
| 3DS04 0060 Office Hallway Rattling HVAC V1 2.0.wav      | A large HVAC system hums, rattles, and drones in a large office building hallway. Occasional clicks and thumps throughout. Sparse road noise and air traffic.                                  |

# USA ROOM TONES

| FILENAME  | DESCRIPTION  |
|---|--|
| 3DS04 0061 Office Hallway Rattling HVAC V2 2.0.wav  | A large HVAC system hums, rattles, and drones in a large office building hallway. Less rattle than V1. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0062 Office Hallway Rattling HVAC V3 2.0.wav  | A large HVAC system hums and drones in a large office building hallway. Very Rhythmic deep humming. More hum than previous versions. Occasional clicks and thumps throughout. Sparse road noise and air traffic.             |
| 3DS04 0063 Industrial Workshop Ventilation 2.0.wav  | Large industrial workshop with ventilation system running. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0064 Industrial Workshop Machinery V1 2.0.wav | Machinery and ventilation in large empty workshop. Recorded at a moderate distance. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
| 3DS04 0065 Industrial Workshop Machinery V2 2.0.wav | Machinery and ventilation in large empty workshop. Recorded at a close distance. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0066 Commercial Kitchen Hum V1 2.0.wav        | Large commercial kitchen with refrigeration, ventilation systems, clocks, and other squeaks from metal components. Occasional clicks and thumps throughout. Sparse road noise and air traffic.                               |
| 3DS04 0067 Commercial Kitchen Hum V2 2.0.wav        | Large commercial kitchen with refrigeration, ventilation systems, clocks, and other squeaks from metal components. More appliance noise than V1. Occasional clicks and thumps throughout. Sparse road noise and air traffic. |
| 3DS04 0068 Cafeteria Appliances Hum V1 2.0.wav      | Large cafeteria with appliance humming. Recorded as far from appliances as possible. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0069 Cafeteria Appliances Hum V2 2.0.wav      | Large cafeteria with appliance humming and hissing. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
| 3DS04 0070 Cafeteria Appliances Hum V3 2.0.wav      | Large cafeteria with appliance humming and hissing. Recorded close to appliances. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
| 3DS04 0071 Cafeteria Appliances Hum V4 2.0.wav      | Medium sized cafeteria with appliance humming and hissing. Recorded close to appliances. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0072 Commercial Walk In Refrigerator 2.0.wav  | Inside a commercial walk-in refrigerator in a commercial kitchen. Whirring, hissing, humming, and rattling throughout.   |
| 3DS04 0073 Kitchen Old Appliances V1 2.0.wav        | An old kitchen featuring appliances from the 1970's. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0074 Kitchen Old Appliances V2 2.0.wav        | An old kitchen featuring appliances from the 1970's. Buzzing from florescent lights. Occasional clicks and thumps throughout. Sparse road noise and air traffic.   |
| 3DS04 0075 Kitchen New Refrigerator V1 2.0.wav      | A new kitchen featuring a refrigerator prominently. Occasional clicks and thumps throughout. Sparse road noise and air traffic.  |
