

## SUMMER

FILENAME	DESCRIPTION
AMBBird_DESERT-Bird Insect Breeze_B00M_3DS09_4.0 Hi.wav	Birds call and sing at various distances as flying insects buzz consistently. Gentle but gusty breeze heard throughout.
AMBBird_DESERT-Bird Insect Breeze_B00M_3DS09_4.0 Lo.wav	Birds call and sing at various distances as flying insects buzz consistently. Gentle but gusty breeze heard throughout.
AMBBird_DESERT-Birds Diverse Insects Morning_B00M_3DS09_4.0 Hi.wav	Diverse birds call and sing at various distances as flying insects buzz consistently during a hot morning on the Sonoran Desert. Light breeze at times.
AMBBird_DESERT-Birds Diverse Insects Morning_B00M_3DS09_4.0 Lo.wav	Diverse birds call and sing at various distances as flying insects buzz consistently during a hot morning on the Sonoran Desert. Light breeze at times.
AMBBird_DESERT-Birds Insects Busy Breeze_B00M_3DS09_4.0 Hi.wav	Birds call and sing along with buzzing flying insects at various distances as a gentle breeze sweeps across the Sonoran Desert. Hummingbirds and roadrunners heard at times.
AMBBird_DESERT-Birds Insects Busy Breeze_B00M_3DS09_4.0 Lo.wav	Birds call and sing along with buzzing flying insects at various distances as a gentle breeze sweeps across the Sonoran Desert. Hummingbirds and roadrunners heard at times.
AMBBird_DESERT-Calm Dawn Birds Insects_B00M_3DS09_4.0 Hi.wav	Calm dawn in the Sonoran Desert. Flying insects and birds vocalizing throughout. Small mammals heard at times.
AMBBird_DESERT-Calm Dawn Birds Insects_B00M_3DS09_4.0 Lo.wav	Calm dawn in the Sonoran Desert. Flying insects and birds vocalizing throughout. Small mammals heard at times.
AMBBird_DESERT-Calm Dawn Birds_B00M_3DS09_4.0 Hi.wav	Calm dawn in the Sonoran Desert. Distant birds vocalize throughout. Small mammals and insects heard at times.
AMBBird_DESERT-Calm Dawn Birds_B00M_3DS09_4.0 Lo.wav	Calm dawn in the Sonoran Desert. Distant birds vocalize throughout. Small mammals and insects heard at times.
AMBBird_DESERT-Calm Morning Birds Breeze Consistent_B00M_3DS09_4.0 Hi.wav	Calm morning with a light consistent breeze in the Sonoran Desert. Flying insects and birds vocalizing throughout. Woodpeckers pecking and hummingbirds whirring heard at times.
AMBBird_DESERT-Calm Morning Birds Breeze Consistent_B00M_3DS09_4.0 Lo.wav	Calm morning with a light consistent breeze in the Sonoran Desert. Flying insects and birds vocalizing throughout. Woodpeckers pecking and hummingbirds whirring heard at times.
AMBBird_DESERT-Morning Birds Breeze_B00M_3DS09_4.0 Hi.wav	Birds sing and call regularly during a hot and consistently breezy morning in a small canyon. Dry leaf debris heard rustling and clicking throughout. Distant crows and woodpeckers at times.
AMBBird_DESERT-Morning Birds Breeze_B00M_3DS09_4.0 Lo.wav	Birds sing and call regularly during a hot and consistently breezy morning in a small canyon. Dry leaf debris heard rustling and clicking throughout. Distant crows and woodpeckers at times.
AMBBird_DESERT-Morning Birds Sparse Breeze V1_B00M_3DS09_4.0 Hi.wav	Birds sing and call sparsely but vibrantly in a small canyon. Light but tonal breeze and moving leaf debris heard throughout. Flying insects of varying sizes and woodpeckers at times.
AMBBird_DESERT-Morning Birds Sparse Breeze V1_B00M_3DS09_4.0 Lo.wav	Birds sing and call sparsely but vibrantly in a small canyon. Light but tonal breeze and moving leaf debris heard throughout. Flying insects of varying sizes and woodpeckers at times.
AMBBird_DESERT-Morning Birds Sparse Breeze V2_B00M_3DS09_4.0 Hi.wav	Birds sing and call sparsely but vibrantly in a small canyon. Faint leafy breeze and moving leaf debris heard throughout. Flying insects of varying sizes and woodpeckers at times.

## SUMMER

FILENAME	DESCRIPTION
AMBBird_DESERT-Morning Birds Sparse Breeze V2_B00M_3DS09_4.0 Lo.wav	Birds sing and call sparsely but vibrantly in a small canyon. Faint leafy breeze and moving leaf debris heard throughout. Flying insects of varying sizes and woodpeckers at times.
AMBBird_DESERT-Woodpecker Activity Birds Wind_B00M_3DS09_4.0 Hi.wav	Birds call anding at various distances as a woodpecker is heard intimately pecking and drumming in a small canyon. Light wind, flying insects, and leaf debris heard throughout
AMBBird_DESERT-Woodpecker Activity Birds Wind_B00M_3DS09_4.0 Lo.wav	Birds call anding at various distances as a woodpecker is heard intimately pecking and drumming in a small canyon. Light wind, flying insects, and leaf debris heard throughout
AMBBird_FOREST-Afternoon Birds Breeze Insects_B00M_3DS09_4.0 Hi.wav	Birds sing and call vibrantly at various distances in a deciduous forest on a warm afternoon near a large lake. Flying insects, light breeze, and distant crickets heard throughout.
AMBBird_FOREST-Afternoon Birds Breeze Insects_B00M_3DS09_4.0 Lo.wav	Birds sing and call vibrantly at various distances in a deciduous forest on a warm afternoon near a large lake. Flying insects, light breeze, and distant crickets heard throughout.
AMBBird_MEADOW-Hilltop Meadow Birds Breeze_B00M_3DS09_4.0 Hi.wav	Birds call and sing at moderate distances on the edges of a hilltop meadow on a summer day. Calming crickets and flying insects heard throughout. Wild Turkeys heard calling occasionally at a distance
AMBBird_MEADOW-Hilltop Meadow Birds Breeze_B00M_3DS09_4.0 Lo.wav	Birds call and sing at moderate distances on the edges of a hilltop meadow on a summer day. Calming crickets and flying insects heard throughout. Wild Turkeys heard calling occasionally at a distance
AMBBird_PRAIRIE-Vibrant Birds Deep Wind_B00M_3DS09_4.0 Hi.wav	A deep and tonal wind sweeps across a prairie as birds call and sing vibrantly throughout. Flying insects and detailed grasses and plant debris heard at times.
AMBBird_PRAIRIE-Vibrant Birds Deep Wind_B00M_3DS09_4.0 Lo.wav	A deep and tonal wind sweeps across a prairie as birds call and sing vibrantly throughout. Flying insects and detailed grasses and plant debris heard at times.
AMBBird_PRAIRIE-Vibrant Birds Varied Wind_B00M_3DS09_4.0 Hi.wav	A varying wind sweeps across a prairie as birds call and sing vibrantly throughout. Flying insects and detailed grasses and plant debris heard at times.
AMBBird_PRAIRIE-Vibrant Birds Varied Wind_B00M_3DS09_4.0 Lo.wav	A varying wind sweeps across a prairie as birds call and sing vibrantly throughout. Flying insects and detailed grasses and plant debris heard at times.
AMBDsrt_DESERT-Barrel Cactus Wind_B00M_3DS09_4.0 Hi.wav	A gusty wind blows around a Barrel Cactus creating light whooshing textures. Plant debris, quiet birds, and flying insects heard at times.
AMBDsrt_DESERT-Barrel Cactus Wind_B00M_3DS09_4.0 Lo.wav	A gusty wind blows around a Barrel Cactus creating light whooshing textures. Plant debris, quiet birds, and flying insects heard at times.
AMBDsrt_DESERT-Cactus Wind Hiss_B00M_3DS09_4.0 Hi.wav	Strong but varying wind blows through the rare Organ Pipe Cactus, creating rhythmic hissing, oscillating, and low volume tones. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cactus Wind Hiss_B00M_3DS09_4.0 Lo.wav	Strong but varying wind blows through the rare Organ Pipe Cactus, creating rhythmic hissing, oscillating, and low volume tones. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cactus Wind Squeak V1_B00M_3DS09_4.0 Hi.wav	Cactus needles bending and squeaking in a gusty and strong wind. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cactus Wind Squeak V1_B00M_3DS09_4.0 Lo.wav	Cactus needles bending and squeaking in a gusty and strong wind. Plant debris, quiet birds, and flying insects heard occasionally.

## SUMMER

FILENAME	DESCRIPTION
AMBDsrt_DESERT-Cactus Wind Squeak V2_B00M_3DS09_4.0 Hi.wav	Cactus needles bending and squeaking in a varying wind. Strong gusts at times. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cactus Wind Squeak V2_B00M_3DS09_4.0 Lo.wav	Cactus needles bending and squeaking in a varying wind. Strong gusts at times. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cactus Wind Varied V1_B00M_3DS09_4.0 Hi.wav	A varying breeze sweeps through large Cacti in the Sonoran Desert, creating varied textures, tones, squeaks, and noises. Quiet birds, small mammals rustling, and flying insects heard at times.
AMBDsrt_DESERT-Cactus Wind Varied V1_B00M_3DS09_4.0 Lo.wav	A varying breeze sweeps through large Cacti in the Sonoran Desert, creating varied textures, tones, squeaks, and noises. Quiet birds, small mammals rustling, and flying insects heard at times.
AMBDsrt_DESERT-Cactus Wind Varied V2_B00M_3DS09_4.0 Hi.wav	A varying light breeze blows through large Cacti in the Sonoran Desert, creating varied textures, tones, squeaks, and noises. Lighter tones than V1. Quiet birds, small mammals rustling, and flying insects heard at times.
AMBDsrt_DESERT-Cactus Wind Varied V2_B00M_3DS09_4.0 Lo.wav	A varying light breeze blows through large Cacti in the Sonoran Desert, creating varied textures, tones, squeaks, and noises. Lighter tones than V1. Quiet birds, small mammals rustling, and flying insects heard at times.
AMBDsrt_DESERT-Calm Afternoon_B00M_3DS09_4.0 Hi.wav	A calm summer afternoon on the Sonoran desert. Occasional flying insects and calling birds at times. Light but deep wind present throughout.
AMBDsrt_DESERT-Calm Afternoon_B00M_3DS09_4.0 Lo.wav	A calm summer afternoon on the Sonoran desert. Occasional flying insects and calling birds at times. Light but deep wind present throughout.
AMBDsrt_DESERT-Calming Diverse Wind V1_B00M_3DS09_4.0 Hi.wav	Various sweeping tonal gusts of calming wind on the Sonoran Desert. Occasional bird calls, flying insets, and strong gusts. Plant debris and textures heard at times.
AMBDsrt_DESERT-Calming Diverse Wind V1_B00M_3DS09_4.0 Lo.wav	Various sweeping tonal gusts of calming wind on the Sonoran Desert. Occasional bird calls, flying insets, and strong gusts. Plant debris and textures heard at times.
AMBDsrt_DESERT-Calming Diverse Wind V2_B00M_3DS09_4.0 Hi.wav	Various sweeping tonal gusts of calming wind on the Sonoran Desert. Occasional bird calls and flying insets. Plant debris and textures heard at times.
AMBDsrt_DESERT-Calming Diverse Wind V2_B00M_3DS09_4.0 Lo.wav	Various sweeping tonal gusts of calming wind on the Sonoran Desert. Occasional bird calls and flying insets. Plant debris and textures heard at times.
AMBDsrt_DESERT-Cave Entrance Calm_B00M_3DS09_4.0 Hi.wav	A calm breeze blows across the entrance to a large quiet cave. Birds calling and flying insects heard distantly throughout.
AMBDsrt_DESERT-Cave Entrance Calm_B00M_3DS09_4.0 Lo.wav	A calm breeze blows across the entrance to a large quiet cave. Birds calling and flying insects heard distantly throughout.
AMBDsrt_DESERT-Cholla Cactus Wind V1_B00M_3DS09_4.0 Hi.wav	A gusty wind blows around a Cholla Cactus creating pleasant whooshing textures. Strong gusts at times. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cholla Cactus Wind V1_B00M_3DS09_4.0 Lo.wav	A gusty wind blows around a Cholla Cactus creating pleasant whooshing textures. Strong gusts at times. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Cholla Cactus Wind V2_B00M_3DS09_4.0 Hi.wav	A strong gusty wind blows around a Cholla Cactus creating pleasant deep and mid-toned whooshing textures. Plant debris, quiet birds, and flying insects heard occasionally.

## SUMMER

FILENAME	DESCRIPTION
AMBDsrt_DESERT-Cholla Cactus Wind V2_B00M_3DS09_4.0 Lo.wav	A strong gusty wind blows around a Cholla Cactus creating pleasant deep and mid-toned whooshing textures. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Gusty Wind Plants_B00M_3DS09_4.0 Hi.wav	Plants and brush tap, click, and squeak as a persistent breeze blows across the Sonoran Desert. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Gusty Wind Plants_B00M_3DS09_4.0 Lo.wav	Plants and brush tap, click, and squeak as a persistent breeze blows across the Sonoran Desert. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Light Sweeping Wind_B00M_3DS09_4.0 Hi.wav	A light but varying sweeping breeze blows across the Mojave Desert. Plant and leaf debris, quiet birds, and small mammals heard scurrying at times.
AMBDsrt_DESERT-Light Sweeping Wind_B00M_3DS09_4.0 Lo.wav	A light but varying sweeping breeze blows across the Mojave Desert. Plant and leaf debris, quiet birds, and small mammals heard scurrying at times.
AMBDsrt_DESERT-Saguaro Wind Deep_B00M_3DS09_4.0 Hi.wav	Strong but varying wind gusts blow around a Saguaro Cactus, creating deep whooshing and high hissing textures. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Saguaro Wind Deep_B00M_3DS09_4.0 Lo.wav	Strong but varying wind gusts blow around a Saguaro Cactus, creating deep whooshing and high hissing textures. Plant debris, quiet birds, and flying insects heard occasionally.
AMBDsrt_DESERT-Saguaro Wind Light_B00M_3DS09_4.0 Hi.wav	A light but varying breeze blows around a Saguaro Cactus, creating whooshing and hissing textures. Strong gusts at times. Plant debris, quiet birds, small mammals rustling, and flying insects heard occasionally.
AMBDsrt_DESERT-Saguaro Wind Light_B00M_3DS09_4.0 Lo.wav	A light but varying breeze blows around a Saguaro Cactus, creating whooshing and hissing textures. Strong gusts at times. Plant debris, quiet birds, small mammals rustling, and flying insects heard occasionally.
AMBDsrt_DESERT-Strong Wind Plants_B00M_3DS09_4.0 Hi.wav	Plants and brush tap, click, and squeak as a strong gusty breeze blows across the Sonoran Desert. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Strong Wind Plants_B00M_3DS09_4.0 Lo.wav	Plants and brush tap, click, and squeak as a strong gusty breeze blows across the Sonoran Desert. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Sweeping Tonal Breeze Birds_B00M_3DS09_4.0 Hi.wav	Varying winds types blow across a densely vegetated section of Sonoran Desert creating varied whooshing tones. Birds and flying insects heard at times.
AMBDsrt_DESERT-Sweeping Tonal Breeze Birds_B00M_3DS09_4.0 Lo.wav	Varying winds types blow across a densely vegetated section of Sonoran Desert creating varied whooshing tones. Birds and flying insects heard at times.
AMBDsrt_DESERT-Sweeping Wind Subsiding_B00M_3DS09_4.0 Hi.wav	A sweeping wind blows across the Sonoran Desert on a hot afternoon as birds call at moderate distances throughout. Wind slowly dies down throughout. Plant debris and flying insects heard at times.
AMBDsrt_DESERT-Sweeping Wind Subsiding_B00M_3DS09_4.0 Lo.wav	A sweeping wind blows across the Sonoran Desert on a hot afternoon as birds call at moderate distances throughout. Wind slowly dies down throughout. Plant debris and flying insects heard at times.
AMBDsrt_DESERT-Varying Sweeping Wind_B00M_3DS09_4.0 Hi.wav	A varying wind sweeps across canyons and plains. Moderately strong gusts at times. Plant and leaf debris, birds, and small mammals heard scurrying at times.
AMBDsrt_DESERT-Varying Sweeping Wind_B00M_3DS09_4.0 Lo.wav	A varying wind sweeps across canyons and plains. Moderately strong gusts at times. Plant and leaf debris, birds, and small mammals heard scurrying at times.

## SUMMER

FILENAME	DESCRIPTION
AMBDsrt_DESERT-Wind Plants Varied V1_B00M_3DS09_4.0 Hi.wav	Wind gusts of various strengths blow through diverse vegetation creating squeaks, whistles, knocks, and clicks. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Wind Plants Varied V1_B00M_3DS09_4.0 Lo.wav	Wind gusts of various strengths blow through diverse vegetation creating squeaks, whistles, knocks, and clicks. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Wind Plants Varied V2_B00M_3DS09_4.0 Hi.wav	Wind gusts blow through diverse vegetation creating squeaks, whistles, knocks, and clicks. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Wind Plants Varied V2_B00M_3DS09_4.0 Lo.wav	Wind gusts blow through diverse vegetation creating squeaks, whistles, knocks, and clicks. Quiet birds and flying insects heard at times.
AMBDsrt_DESERT-Wind Strong Intimate_B00M_3DS09_4.0 Hi.wav	A strong but varying wind blows through high desert. Birds, flying insects, and plant debris heard at times.
AMBDsrt_DESERT-Wind Strong Intimate_B00M_3DS09_4.0 Lo.wav	A strong but varying wind blows through high desert. Birds, flying insects, and plant debris heard at times.
AMBDsrt_DESERT-Wind Strong Long Gusts_B00M_3DS09_4.0 Hi.wav	Long strong gusts of wind rattle bushes and trees. Wind can be heard traveling across the canyons and plateaus at a great distance. Birds, flying insects, and plant debris heard at times.
AMBDsrt_DESERT-Wind Strong Long Gusts_B00M_3DS09_4.0 Lo.wav	Long strong gusts of wind rattle bushes and trees. Wind can be heard traveling across the canyons and plateaus at a great distance. Birds, flying insects, and plant debris heard at times.
AMBForst_FOREST-Breeze Debris V1_B00M_3DS09_4.0 Hi.wav	A varying breeze blows through a forest causing debris and leaves to fall to the ground. Birds and flying insects audible at times.
AMBForst_FOREST-Breeze Debris V1_B00M_3DS09_4.0 Lo.wav	A varying breeze blows through a forest causing debris and leaves to fall to the ground. Birds and flying insects audible at times.
AMBForst_FOREST-Breeze Debris V2_B00M_3DS09_4.0 Hi.wav	A strong breeze blows through a forest causing branches, debris, and leaves to fall to the ground and swirl around. Birds and flying insects audible at times.
AMBForst_FOREST-Breeze Debris V2_B00M_3DS09_4.0 Lo.wav	A strong breeze blows through a forest causing branches, debris, and leaves to fall to the ground and swirl around. Birds and flying insects audible at times.
AMBForst_FOREST-Calm Afternoon Breeze_B00M_3DS09_4.0 Hi.wav	A calm summer afternoon in a dense mixed forest near a lake. Flying insects and calling birds at times. Light tonal breeze throughout, building towards the end. Waterfowl, woodpeckers, frogs, and small mammals heard at times.
AMBForst_FOREST-Calm Afternoon Breeze_B00M_3DS09_4.0 Lo.wav	A calm summer afternoon in a dense mixed forest near a lake. Flying insects and calling birds at times. Light tonal breeze throughout, building towards the end. Waterfowl, woodpeckers, frogs, and small mammals heard at times.
AMBForst_FOREST-Leaves Breeze_B00M_3DS09_4.0 Hi.wav	A gentle breeze blows through a mixed forest, creating tapping, clicking, and whooshing. Plant and leaf debris, birds, and small mammals heard scurrying at times.
AMBForst_FOREST-Leaves Breeze_B00M_3DS09_4.0 Lo.wav	A gentle breeze blows through a mixed forest, creating tapping, clicking, and whooshing. Plant and leaf debris, birds, and small mammals heard scurrying at times.
AMBForst_FOREST-Night Pine Wind Crickets_B00M_3DS09_4.0 Hi.wav	A deep tonal wind produced by a consistent breeze across long pine needles. Calming crickets at various distances throughout. Plant and leaf debris, quiet birds, and small mammals heard scurrying at times.

## SUMMER

FILENAME	DESCRIPTION
AMBForst_FOREST-Night Pine Wind Crickets_B00M_3DS09_4.0 Lo.wav	A deep tonal wind produced by a consistent breeze across long pine needles. Calming crickets at various distances throughout. Plant and leaf debris, quiet birds, and small mammals heard scurrying at times.
AMBForst_FOREST-Wind Squeaky Tree V1_B00M_3DS09_4.0 Hi.wav	A tree squeaks loudly in a moderately strong wind. Dry leaves fall to the ground and blow past. Low roar present throughout. Birds, flying insects, tree debris, and distant lake waves lapping heard at times.
AMBForst_FOREST-Wind Squeaky Tree V1_B00M_3DS09_4.0 Lo.wav	A tree squeaks loudly in a moderately strong wind. Dry leaves fall to the ground and blow past. Low roar present throughout. Birds, flying insects, tree debris, and distant lake waves lapping heard at times.
AMBForst_FOREST-Wind Squeaky Tree V2_B00M_3DS09_4.0 Hi.wav	A tree squeaks loudly in a strong wind. Dry leaves fall to the ground and blow past. Low roar present throughout. Birds, flying insects, tree debris, and distant lake waves lapping heard at times.
