FILENAME	DESCRIPTION
AWDS AR HK416 Modern Auto.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Short mechanical impact with a low punch and some echoes in the tail.
AWDS AR HK416 Modern Burst.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Short mechanical impact with a low punch and some echoes in the tail.
AWDS AR HK416 Modern Single.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Short mechanical impact with a low punch and some echoes in the tail.
AWDS AR HK416 Heavy Auto.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Aggressive and heavy shot sound. Hard mechanical attack with a low punch, early reflections and a flanging tail.
AWDS AR HK416 Heavy Burst.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Aggressive and heavy shot sound. Hard mechanical attack with a low punch, early reflections and a flanging tail.
AWDS AR HK416 Heavy Single.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Aggressive and heavy shot sound. Hard mechanical attack with a low punch, early reflections and a flanging tail.
AWDS AR HK53 Distant Auto.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Light and pressing distant shot sound. Short tail with a slapback echo and a fast, punchy high attack.
AWDS AR HK53 Distant Burst.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Light and pressing distant shot sound. Short tail with a slapback echo and a fast, punchy high attack.
AWDS AR HK53 Distant Single.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Light and pressing distant shot sound. Short tail with a slapback echo and a fast, punchy high attack.
AWDS AR HK53 Heavy Auto.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Low and heavy machine gun shots. High, dense early reflections and massive tail.
AWDS AR HK53 Heavy Burst.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Low and heavy machine gun shots. High, dense early reflections and massive tail.
AWDS AR HK53 Heavy Single.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Low and heavy machine gun shots. High, dense early reflections and massive tail.
AWDS AR HK53 Modern Auto.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Light and detailed shot sound. Fast, high punching attack with mechanical elements and a bursting slapback echo.
AWDS AR HK53 Modern Burst.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Light and detailed shot sound. Fast, high punching attack with mechanical elements and a bursting slapback echo.
AWDS AR HK53 Modern Single.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Light and detailed shot sound. Fast, high punching attack with mechanical elements and a bursting slapback echo.
AWDS AR HK53 Close Auto.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Hard, bright shot sound. High snapping impact with catchy mechanical elements and echoes in the tail.
AWDS AR HK53 Close Burst.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Hard, bright shot sound. High snapping impact with catchy mechanical elements and echoes in the tail.
AWDS AR HK53 Close Single.wav	Assault Rifle cal 5.56mm NATO. H&K Heckler & Koch. Hard, bright shot sound. High snapping impact with catchy mechanical elements and echoes in the tail.
AWDS AR M16 GAU5Ain Distant Auto.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Dense distant shot sound. Long, bright tail and a subtle, high punch in the attack.
AWDS AR M16 GAU5Ain Distant Burst.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Dense distant shot sound. Long, bright tail and a subtle, high punch in the attack.
AWDS AR M16 GAU5Ain Distant Single.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Dense distant shot sound. Long, bright tail and a subtle, high punch in the attack.
AWDS AR M16 GAU5Ain Heavy Auto.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Strong and mechanical shot sound. Fast attack with high mechanical parts.
AWDS AR M16 GAU5Ain Heavy Burst.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Strong and mechanical shot sound. Fast attack with high mechanical parts.
AWDS AR M16 GAU5Ain Heavy Single.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Strong and mechanical shot sound. Fast attack with high mechanical parts.
AWDS AR M16 GAU5Ain Modern Auto.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Fast, hard and dynamic shot sound. Punchy attack with mechanical elements and tail with lots of small echoes.
AWDS AR M16 GAU5Ain Modern Burst.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Fast, hard and dynamic shot sound. Punchy attack with mechanical elements and tail with lots of small echoes.
AWDS AR M16 GAU5Ain Modern Single.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Fast, hard and dynamic shot sound. Punchy attack with mechanical elements and tail with lots of small echoes.
AWDS AR M16 GAU5Ain Close Auto.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Bright shot sound with mechanics. Short and smooth reverb tail.
AWDS AR M16 GAU5Ain Close Burst.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Bright shot sound with mechanics. Short and smooth reverb tail.
AWDS AR M16 GAU5Ain Close Single.wav	Assault Rifle cal 5.56mm NATO. 11.5 in Barrel. Bright shot sound with mechanics. Short and smooth reverb tail.
AWDS AR M16 16in Distant Auto.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Light distant shot sound with tight attack and a long tail.
AWDS AR M16 16in Distant Burst.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Light distant shot sound with tight attack and a long tail.
AWDS AR M16 16in Distant Single.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Light distant shot sound with tight attack and a long tail.

FILENAME	DESCRIPTION
AWDS AR M16 16in Heavy Auto.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Bright and impulsive shot sound. Strong, metal rattle in the attack with low early reflections in the decay.
AWDS AR M16 16in Heavy Burst.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Bright and impulsive shot sound. Strong, metal rattle in the attack with low early reflections in the decay.
AWDS AR M16 16in Heavy Single.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Bright and impulsive shot sound. Strong, metal rattle in the attack with low early reflections in the decay.
AWDS AR M16 16in Modern Auto.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Low and defined shot sound. Long tail and some repeating echoes.
AWDS AR M16 16in Modern Burst.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Low and defined shot sound. Long tail and some repeating echoes.
AWDS AR M16 16in Modern Single.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Low and defined shot sound. Long tail and some repeating echoes.
AWDS AR M16 16in Close Auto.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Hard and mechanical shot sound. Bright, metallic attack with a flanging decay.
AWDS AR M16 16in Close Burst.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Hard and mechanical shot sound. Bright, metallic attack with a flanging decay.
AWDS AR M16 16in Close Single.wav	Assault Rifle cal 5.56mm NATO. 16 in Barrel. Hard and mechanical shot sound. Bright, metallic attack with a flanging decay.
AWDS AR M16A2 Distant Auto.wav	Assault Rifle cal 5.56mm NATO. Light and bright distant shot. Long tail with some soft echoes.
AWDS AR M16A2 Distant Burst.wav	Assault Rifle cal 5.56mm NATO. Light and bright distant shot. Long tail with some soft echoes.
AWDS AR M16A2 Distant Single.wav	Assault Rifle cal 5.56mm NATO. Light and bright distant shot. Long tail with some soft echoes.
AWDS AR M16A2 Heavy Auto.wav	Assault Rifle cal 5.56mm NATO. Heavy and powerful machine gun firing. Obvious delay in the tail.
AWDS AR M16A2 Heavy Burst.wav	Assault Rifle cal 5.56mm NATO. Heavy and powerful machine gun firing. Obvious delay in the tail.
AWDS AR M16A2 Heavy Single.wav	Assault Rifle cal 5.56mm NATO. Heavy and powerful machine gun firing. Obvious delay in the tail.
AWDS AR M16A2 Modern Auto.wav	Assault Rifle cal 5.56mm NATO. Kicking, tight shot. Smacking impact with some high sizzling elements. Moving and rolling tail.
AWDS AR M16A2 Modern Burst.wav	Assault Rifle cal 5.56mm NATO. Kicking, tight shot. Smacking impact with some high sizzling elements. Moving and rolling tail.
AWDS AR M16A2 Modern Single.wav	Assault Rifle cal 5.56mm NATO. Kicking, tight shot. Smacking impact with some high sizzling elements. Moving and rolling tail.
AWDS AR M16A2 Close Auto.wav	Assault Rifle cal 5.56mm NATO. Fast and heavy, bright shot sound. Tight, high attack with strong mechanical elements and a steady decay.
AWDS AR M16A2 Close Burst.wav	Assault Rifle cal 5.56mm NATO. Fast and heavy, bright shot sound. Tight, high attack with strong mechanical elements and a steady decay.
AWDS AR M16A2 Close Single.wav	Assault Rifle cal 5.56mm NATO. Fast and heavy, bright shot sound. Tight, high attack with strong mechanical elements and a steady decay.
AWDS AR SIG 552 Distant Auto.wav	Assault Rifle cal 5.56mm NATO. Low and subtle shot sound. Damped impact and short decay.
AWDS AR SIG 552 Distant Burst.wav	Assault Rifle cal 5.56mm NATO. Low and subtle shot sound. Damped impact and short decay.
AWDS AR SIG 552 Distant Single.wav	Assault Rifle cal 5.56mm NATO. Low and subtle shot sound. Damped impact and short decay.
AWDS AR SIG 552 Heavy Auto.wav	Assault Rifle cal 5.56mm NATO. Heavy machine gun sound. Slow, weighty attack with a mechanical rattle.
AWDS AR SIG 552 Heavy Burst.wav	Assault Rifle cal 5.56mm NATO. Heavy machine gun sound. Slow, weighty attack with a mechanical rattle.
AWDS AR SIG 552 Heavy Single.wav	Assault Rifle cal 5.56mm NATO. Heavy machine gun sound. Slow, weighty attack with a mechanical rattle.
AWDS AR SIG 552 Close Auto.wav	Assault Rifle cal 5.56mm NATO. Snappy mechanics and a low and weighty shot sound.
AWDS AR SIG 552 Close Burst.wav	Assault Rifle cal 5.56mm NATO. Snappy mechanics and a low and weighty shot sound.
AWDS AR SIG 552 Close Single.wav	Assault Rifle cal 5.56mm NATO. Snappy mechanics and a low and weighty shot sound.
AWDS AR SIG 552 Modern Auto.wav	Assault Rifle cal 5.56mm NATO. Exploding and heavy shot featuring distinct mechanic trigger. Steady decay.
AWDS AR SIG 552 Modern Burst.wav	Assault Rifle cal 5.56mm NATO. Exploding and heavy shot featuring distinct mechanic trigger. Steady decay.
AWDS AR SIG 552 Modern Single.wav	Assault Rifle cal 5.56mm NATO. Exploding and heavy shot featuring distinct mechanic trigger. Steady decay.

FILENAME	DESCRIPTION
AWDS Grenade Launcher Distant Single.wav	40mm Grenade Launcher. Light and distant shot sound. Bright, soft attack with a flanging decay and a long tail.
AWDS Grenade Launcher Modern Single.wav	40mm Grenade Launcher. Tight and hollow shot sound. Light, tonal attack with an airy, long tail.
AWDS Grenade Launcher Close Single.wav	40mm Grenade Launcher. Heavy and bright shot sound. Long, mechanical clicking attack with a tonal shot and a long tail.
AWDS Grenade Launcher Heavy Single.wav	40mm Grenade Launcher. Soft and weighty shot sound. Mechanical elements with a tonal shot and a long tail.
AWDS MG MG42 Distant Auto.wav	Machine Gun cal 7.92mm Mauser. Distant machine gun firing. Dense sound with flanging tail.
AWDS MG MG42 Distant Burst.wav	Machine Gun cal 7.92mm Mauser. Distant machine gun firing. Dense sound with flanging tail.
AWDS MG MG42 Heavy Auto.wav	Machine Gun cal 7.92mm Mauser. Heavy and bright shot sound with present mechanical movement.
AWDS MG MG42 Heavy Burst.wav	Machine Gun cal 7.92mm Mauser. Heavy and bright shot sound with present mechanical movement.
AWDS MG MG42 Modern Auto.wav	Machine Gun cal 7.92mm Mauser. Tight and low punching shot sound. Light mechanical elements and rattling on top.
AWDS MG MG42 Modern Burst.wav	Machine Gun cal 7.92mm Mauser. Tight and low punching shot sound. Light mechanical elements and rattling on top.
AWDS MG MG42 Close Auto.wav	Machine Gun cal 7.92mm Mauser. Fast and heavy shot sound. Punching, mechanical attack with rattling metal parts.
AWDS MG MG42 Close Burst.wav	Machine Gun cal 7.92mm Mauser. Fast and heavy shot sound. Punching, mechanical attack with rattling metal parts.
AWDS SMG HK MP5 Distant Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Soft and light distant shot sound. Long tail.
AWDS SMG HK MP5 Distant Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Soft and light distant shot sound. Long tail.
AWDS SMG HK MP5 Distant Single.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Soft and light distant shot sound. Long tail.
AWDS SMG HK MP5 Heavy Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Bright and heavy lashing shot sound. Tight, mechanical attack.
AWDS SMG HK MP5 Heavy Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Bright and heavy lashing shot sound. Tight, mechanical attack.
AWDS SMG HK MP5 Heavy Single.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Bright and heavy lashing shot sound. Tight, mechanical attack.
AWDS SMG HK MP5 Modern Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Fast and light shot sound. Tight, high attack with a mechanical release and a long tail.
AWDS SMG HK MP5 Modern Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Fast and light shot sound. Tight, high attack with a mechanical release and a long tail.
AWDS SMG HK MP5 Modern Single.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Fast and light shot sound. Tight, high attack with a mechanical release and a long tail.
AWDS SMG HK MP5 Close Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Bright, fast shot sound. Soft and low punch, fast attack with a high mechanical clicking and a long, flanging tail.
AWDS SMG HK MP5 Close Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Bright, fast shot sound. Soft and low punch, fast attack with a high mechanical clicking and a long, flanging tail.
AWDS SMG HK MP5 Close Single.wav	Submachine Gun, PDW cal 9mm Parabellum. H&K Heckler & Koch. Bright, fast shot sound. Soft and low punch, fast attack with a high mechanical clicking and a long, flanging tail.
AWDS SMG Steyr Aug Distant Auto.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Light, tight distant shot. Fast, damped attack with a long, low tail and an early slapback echo.
AWDS SMG Steyr Aug Distant Burst.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Light, tight distant shot. Fast, damped attack with a long, low tail and an early slapback echo.
AWDS SMG Steyr Aug Distant Single.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Light, tight distant shot. Fast, damped attack with a long, low tail and an early slapback echo.
AWDS SMG Steyr Aug Heavy Auto.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Weighty, strong shot sound, fiery early reflection and soft tail.
AWDS SMG Steyr Aug Heavy Burst.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Weighty, strong shot sound, fiery early reflection and soft tail.
AWDS SMG Steyr Aug Heavy Single.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Weighty, strong shot sound, fiery early reflection and soft tail.
AWDS SMG Steyr Aug Modern Auto.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Heavy blasting shot with distinct mechanics.
AWDS SMG Steyr Aug Modern Burst.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Heavy blasting shot with distinct mechanics.
AWDS SMG Steyr Aug Modern Single.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Heavy blasting shot with distinct mechanics.

FILENAME	DESCRIPTION
AWDS SMG Steyr Aug Close Auto.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Busy high metal sizzling with low impact and mid frequency tail.
AWDS SMG Steyr Aug Close Burst.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Busy high metal sizzling with low impact and mid frequency tail.
AWDS SMG Steyr Aug Close Single.wav	Assault Rifle / Battle Rifle / Submachine Gun, PDW cal. 5.56 NATO. Busy high metal sizzling with low impact and mid frequency tail.
AWDS SMG Uzi 45 Distant Auto.wav	Submachine Gun, PDW cal .45 ACP. Small, tight shot sound. Multiple reflections in the tail.
AWDS SMG Uzi 45 Distant Burst.wav	Submachine Gun, PDW cal .45 ACP. Small, tight shot sound. Multiple reflections in the tail.
AWDS SMG Uzi 45 Distant Single.wav	Submachine Gun, PDW cal .45 ACP. Small, tight shot sound. Multiple reflections in the tail.
AWDS SMG Uzi 45 Heavy Auto.wav	Submachine Gun, PDW cal .45 ACP. Close and heavy shot sound. High mechanical elements with a low sub punch.
AWDS SMG Uzi 45 Heavy Burst.wav	Submachine Gun, PDW cal .45 ACP. Close and heavy shot sound. High mechanical elements with a low sub punch.
AWDS SMG Uzi 45 Heavy Single.wav	Submachine Gun, PDW cal .45 ACP. Close and heavy shot sound. High mechanical elements with a low sub punch.
AWDS SMG Uzi 45 Modern Auto.wav	Submachine Gun, PDW cal .45 ACP. Distinct mechanical, clicking parts and a very tight kick. High and open tail.
AWDS SMG Uzi 45 Modern Burst.wav	Submachine Gun, PDW cal .45 ACP. Distinct mechanical, clicking parts and a very tight kick. High and open tail.
AWDS SMG Uzi 45 Modern Single.wav	Submachine Gun, PDW cal .45 ACP. Distinct mechanical, clicking parts and a very tight kick. High and open tail.
AWDS SMG Uzi 45 Close Auto.wav	Submachine Gun, PDW cal .45 ACP. Close, rattling sound. High mechanical elements with a long tail.
AWDS SMG Uzi 45 Close Burst.wav	Submachine Gun, PDW cal .45 ACP. Close, rattling sound. High mechanical elements with a long tail.
AWDS SMG Uzi 45 Close Single.wav	Submachine Gun, PDW cal .45 ACP. Close, rattling sound. High mechanical elements with a long tail.
AWDS SMG Uzi 9mm Distant Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. Snapping far away firing sound of a small automatic weapon. High and light tail.
AWDS SMG Uzi 9mm Distant Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. Snapping far away firing sound of a small automatic weapon. High and light tail.
AWDS SMG Uzi 9mm Distant Single.wav	Submachine Gun, PDW cal 9mm Parabellum. Snapping far away firing sound of a small automatic weapon. High and light tail.
AWDS SMG Uzi 9mm Heavy Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. Crisp and intense SMG firing. Dominant mechanical parts.
AWDS SMG Uzi 9mm Heavy Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. Crisp and intense SMG firing. Dominant mechanical parts.
AWDS SMG Uzi 9mm Heavy Single.wav	Submachine Gun, PDW cal 9mm Parabellum. Crisp and intense SMG firing. Dominant mechanical parts.
AWDS SMG Uzi 9mm Modern Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. Strong mechanical action with delayed and soft shot sound. Dense and long tail.
AWDS SMG Uzi 9mm Modern Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. Strong mechanical action with delayed and soft shot sound. Dense and long tail.
AWDS SMG Uzi 9mm Modern Single.wav	Submachine Gun, PDW cal 9mm Parabellum. Strong mechanical action with delayed and soft shot sound. Dense and long tail.
AWDS SMG Uzi 9mm Close Auto.wav	Submachine Gun, PDW cal 9mm Parabellum. Weighy and rattling shots. Distinct sub layer.
AWDS SMG Uzi 9mm Close Burst.wav	Submachine Gun, PDW cal 9mm Parabellum. Weighy and rattling shots. Distinct sub layer.
AWDS SMG Uzi 9mm Close Single.wav	Submachine Gun, PDW cal 9mm Parabellum. Weighy and rattling shots. Distinct sub layer.
AWDS SR L96A1 Distant Single.wav	Sniper Rifle cal 7.62 NATO. Heavy distant shot sound. Present tail.
AWDS SR L96A1 Heavy Single.wav	Sniper Rifle cal 7.62 NATO. Hard and weighty shot sound with a high, metallic ring and a huge impact.
AWDS SR L96A1 Modern Single.wav	Sniper Rifle cal 7.62 NATO. Tight and bright shot sound. Metallic impact with a tight punch and a strong tail.
AWDS SR L96A1 Close Single.wav	Sniper Rifle cal 7.62 NATO. Thundering, long and heavy shot sound. Long tail with sweeping echoes.
AWDS SR M14 Distant Auto.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Low, tight distant shot sound. Heavy slapback echo and a long tail.
AWDS SR M14 Distant Burst.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Low, tight distant shot sound. Heavy slapback echo and a long tail.

FILENAME	DESCRIPTION
AWDS SR M14 Distant Single.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Low, tight distant shot sound. Heavy slapback echo and a long tail.
AWDS SR M14 Heavy Auto.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. High and heavy close shot sound. Mechanical, aggressive punch with an open and high decay.
AWDS SR M14 Heavy Burst.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. High and heavy close shot sound. Mechanical, aggressive punch with an open and high decay.
AWDS SR M14 Heavy Single.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. High and heavy close shot sound. Mechanical, aggressive punch with an open and high decay.
AWDS SR M14 Modern Auto.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Light, metallic shot sound. Defined and tight low end with high, mechanical ring out.
AWDS SR M14 Modern Burst.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Light, metallic shot sound. Defined and tight low end with high, mechanical ring out.
AWDS SR M14 Modern Single.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Light, metallic shot sound. Defined and tight low end with high, mechanical ring out.
AWDS SR M14 Close Auto.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Heavy shot sound. Strong impact with high, subtle mechanical rattle.
AWDS SR M14 Close Burst.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Heavy shot sound. Strong impact with high, subtle mechanical rattle.
AWDS SR M14 Close Single.wav	Battle Rifle / Sniper Rifle cal 7.62mm NATO. Heavy shot sound. Strong impact with high, subtle mechanical rattle.
AWDS SR M24E1 Distant Single.wav	Sniper Rifle cal .300 Winchester Magnum. Popping, tight distant shot sound. Long tail with sweeping echoes and a tight punch.
AWDS SR M24E1 Heavy Single.wav	Sniper Rifle cal .300 Winchester Magnum. Hard and explosive shot sound. Strong and large blast with a long tail.
AWDS SR M24E1 Modern Single.wav	Sniper Rifle cal .300 Winchester Magnum. Tight punch with a metallic ring. Crackling decay ending in steady reverb.
AWDS SR M24E1 Close Single.wav	Sniper Rifle cal .300 Winchester Magnum. Heavy, low shot sound. Deep slapback echo and a long tail.
AWDS SR M82A1 Distant Single.wav	Sniper or Anti Material Rifle cal .50 BMG. Tight and large distant shot sound. Long decay and distinct rolling echoes.
AWDS SR M82A1 Heavy Single.wav	Sniper or Anti Material Rifle cal .50 BMG. Long, heavy shot sound. Long tail with strong slapback echo.
AWDS SR M82A1 Modern Single.wav	Sniper or Anti Material Rifle cal .50 BMG. Warm and low shot sound with defined and strong transients. Tonal mechanical parts in the decay with strong early reflections and a low tail.
AWDS SR M82A1 Close Single.wav	Sniper or Anti Material Rifle cal .50 BMG. Low and heavy shot sound. Explosive impact with strong, echoing tail.
AWDS SR Model 700 20in Distant Single.wav	Sniper Rifle cal .223 Remington. Civil version of the Remington 700. Soft distant shot with long, bright tail and a flanging echo.
AWDS SR Model 700 20in Heavy Single.wav	Sniper Rifle cal .223 Remington. Civil version of the Remington 700. Strong, heavy shot sound with early low kick followed by strong early reflections with ringing metal part.
AWDS SR Model 700 20in Modern Single.wav	Sniper Rifle cal .223 Remington. Civil version of the Remington 700. Barking shot sound with high metallic ring out. Multiple echoes and relections in the tail.
AWDS SR Model 700 20in Close Single.wav	Sniper Rifle cal .223 Remington. Civil version of the Remington 700. Heavy shot sound. Hard, low punch with constant tail.
AWDS SR Model 700P 338 Distant Single.wav	Sniper Rifle cal .338 Lapua Magnum. Police version of Remington 700. Light and bright distant shot sound. Long tail with some repeating echoes.
AWDS SR Model 700P 338 Heavy Single.wav	Sniper Rifle cal .338 Lapua Magnum. Police version of Remington 700. Bright, aggressive shot sound. Weighty punch with a crackling early reflections and high, open tail.
AWDS SR Model 700P 338 Modern Single.wav	Sniper Rifle cal .338 Lapua Magnum. Police version of Remington 700. Low and heavy shot sound. High, tonal mechanics with a long decay.
AWDS SR Model 700P 338 Close Single.wav	Sniper Rifle cal .338 Lapua Magnum. Police version of Remington 700. Low and hard shot sound. Tight transients and very low early reflections.
