FILENAME	DESCRIPTION
AEROHeli_TRANS-Helicopter Departs Heliport_B00M_NP01.wav	Light helicopter builds rotation speed then departs heliport.
AEROHeli_TRANS-Helicopter Hovers Nearby Departs_B00M_NP01.wav	Light helicopter arrives quickly and hovers in near distance then suddenly departs.
AEROHeli_TRANS-Helicopter Pass Distant_B00M_NP01.wav	Light helicopter passes at a distance. Very faint birds.
AEROHeli_TRANS-Helicopter Pass Working Cargo Closer_B00M_NP01.wav	Cargo carrying helicopter passes at moderately close distance. Some blade slaps. Drops load with thud. Departs.
AEROHeli_TRANS-Helicopter Pass Working Cargo Distant_B00M_NP01.wav	Cargo carrying helicopter passes very slowly at distance to the right. Blade slaps clear.
AEROHeli_TRANS-Helicopter Pass Working Cargo Hovers Departs_B00M_NP01.wav	Cargo carrying helicopter passes at moderately close distance, hovers then departs. Some blade slaps.
AEROHeli_TRANS-Helicopter Pass Working Cargo Maneuvers_B00M_NP01.wav	Cargo carrying helicopter passes at moderately close distance and works drop off location. Some blade slaps. Departs.
AEROHeli_TRANS-Helicopter Pass Working Cargo Quick_B00M_NP01.wav	Cargo carrying helicopter arrives quickly, hovers then departs. Turbine more pronounced.
AEROHeli_TRANS-Helicopter Pass Working Cargo Very Distant Long_B00M_NP01.wav	Cargo carrying helicopter passes very slowly at far distance. Blade slaps clear.
AEROHeli_TRANS-Helicopter Pass Working Cargo_B00M_NP01.wav	Cargo carrying helicopter passes at moderate distance. Extremely faint birds at times.
AEROHeli_TRANS-Helicopter Pass_B00M_NP01.wav	Light helicopter passes overhead after hovering briefly.
AEROHeli_TRANS-Helicopter Small Takeoff_B00M_NP01.wav	Light helicopter takeoff after warmup and quickly disappears.
AEROInt_TRANS-Jet Interior Din Loop V1_B00M_NP01.wav	Interior of jet during flight with mechanical sounds only. Loop.
AEROInt_TRANS-Jet Interior Din Loop V2_B00M_NP01.wav	Interior of jet during flight with mechanical sounds and light indistinct babble of passengers. Loop.
AEROInt_TRANS-Jet Interior Din Loop V3_B00M_NP01.wav	Interior of jet during flight with roar of mechanical sounds and light babble of passengers. Loop.
AEROInt_TRANS-Jet Interior Din Loop V4_B00M_NP01.wav	Interior of jet during flight with roar of mechanical sounds, light babble and faint movement of passengers. Loop.
AEROInt_TRANS-Jet Interior Din Loop V5_B00M_NP01.wav	Interior of jet during flight with roar of mechanical sounds, consistent. Loop.
AEROInt_TRANS-Jet Interior Din Loop V6_B00M_NP01.wav	Interior of jet during flight with roar of mechanical sounds, some passenger movement far background. Loop.
AEROInt_TRANS-Jet Interior Din Loop V7_B00M_NP01.wav	Interior of jet during flight with roar of mechanical sounds, typical of descent. Loop.
AEROInt_TRANS-Jet Interior Din Loop V8_B00M_NP01.wav	Interior of jet during flight with roar of mechanical sounds, typical of descent. Passenger movements. Loop.
AEROInt_TRANS-Jet Interior Turbulence Loop_B00M_NP01.wav	Interior of jet during flight with turbulence. Loop.
AEROJet_TRANS-Jet Overflight Distant V1_B00M_NP01.wav	Jet overflight distant.
AEROJet_TRANS-Jet Overflight Distant V2_B00M_NP01.wav	Jet overflight distant.
AEROJet_TRANS-Jet Overflight Distant V3_B00M_NP01.wav	Jet overflight very distant rumble.
AEROJet_TRANS-Jet Runway Series Loop_B00M_NP01.wav	Four jets take off in series from runway lineup. Includes maneuvering into position. Loop.
AEROJet_TRANS-Jet Takeoff Runway V1_B00M_NP01.wav	Jet takes off from airport runway.

TRANSPORTATION

FILENAME	DESCRIPTION
AEROJet_TRANS-Jet Takeoff Runway V2_B00M_NP01.wav	Jet takes off from airport runway.
AEROJet_TRANS-Jet Tarmac Loop_B00M_NP01.wav	Airport jet tarmac. Loop.
AEROMil_TRANS-Jet Military Overflight Quickly Vanishing_B00M_NP01.wav	Military jet flies overhead at moderately high altitude and quickly vanishes.
AEROProp_TRANS-Plane Prop Pass_B00M_NP01.wav	Typical small prop plane pass.
AMBTraf_TRANS-Traffic Bridge Grated Loop_B00M_NP01.wav	Traffic passes sparsely over grated bridge, sometimes slowing. Birds evident. Loop.
AMBTraf_TRANS-Traffic Bridge Seam Loop_B00M_NP01.wav	Traffic passes consistently over bridge seam with distinct echoey clanking. Loop.
AMBTraf_TRANS-Traffic Busy Tunnel Loop_B00M_NP01.wav	Traffic in tunnel, busy. Loop.
AMBTraf_TRANS-Traffic Highway Busy Consistent Loop_B00M_NP01.wav	Highway traffic is consistently busy with cars and trucks evident. Loop.
AMBTraf_TRANS-Traffic Highway Busy Din Ambience Loop_B00M_NP01.wav	Highway traffic busy din ambience with faint bird chirps at times. Loop.
AMBTraf_TRANS-Traffic Highway Busy Din Birds Loop_B00M_NP01.wav	Highway traffic busy din ambience with birds. Loop.
AMBTraf_TRANS-Traffic Highway Busy Din Distant Birds Loop_B00M_NP01.wav	Highway traffic busy distant din with birds including seagulls active. Loop.
AMBTraf_TRANS-Traffic Highway Busy Din Loop_B00M_NP01.wav	Highway traffic busy din. Loop.
AMBTraf_TRANS-Traffic Highway Busy Din Windy Loop_B00M_NP01.wav	Highway traffic busy din windy. Loop.
AMBTraf_TRANS-Traffic Highway Busy Droning Loop_B00M_NP01.wav	Highway traffic is busy with drone of cars and trucks. Loop.
AMBTraf_TRANS-Traffic Highway Busy Rumble Loop_B00M_NP01.wav	Highway traffic busy rumble. Loop.
AMBTraf_TRANS-Traffic Highway Busy Whizzing Loop_B00M_NP01.wav	Highway traffic is busy with whizzing cars and trucks. Loop.
AMBTraf_TRANS-Traffic Highway Din Distant Neighborhood Loop_B00M_NP01.wav	Highway traffic distant din with faint neighborhood day sounds. Loop.
AMBTraf_TRANS-Traffic Mod Busy Tunnel Loop V1_B00M_NP01.wav	Traffic in tunnel, moderately busy. Loop.
AMBTraf_TRANS-Traffic Mod Busy Tunnel Loop V2_B00M_NP01.wav	Traffic in tunnel, moderately busy. Loop.
AMBTraf_TRANS-Traffic Moderate Underpass Loop_B00M_NP01.wav	Moderate traffic through underpass. Loop.
AMBTraf_TRANS-Traffic Moderately Busy Underpass Loop_B00M_NP01.wav	Moderately busy traffic through underpass. Loop.
AMBTraf_TRANS-Traffic Sparse Underpass_B00M_NP01.wav	Sparse traffic through underpass.
AMBTraf_TRANS-Traffic Truck Busy Brakes Loop_B00M_NP01.wav	Traffic is busy fast and dominated by trucks and numerous brake squeals in background. Loop.
AMBTraf_TRANS-Traffic Truck Busy Consistent Drone Loop_B00M_NP01.wav	Traffic is busy fast and dominated by consistent drone of trucks. Faint car horn at times. Loop.
AMBTraf_TRANS-Traffic Truck Busy Rattles Loop_B00M_NP01.wav	Traffic is busy fast and dominated by trucks and rattles. Loop.
AMBTraf_TRANS-Traffic Truck Busy Various Drone Loop_B00M_NP01.wav	Traffic is busy fast and dominated by various drone of trucks. Loop.

TRANSPORTATION

FILENAME	DESCRIPTION
AMBTraf_TRANS-Traffic Truck Close Rushing Loading Loop_B00M_NP01.wav	Truck traffic is various, moderately close and rushing, includes other vehicles. Typical of urban distribution centers where loading occurs next to highway. Loop.
AMBTraf_TRANS-Traffic Truck Consistent Din Loop_B00M_NP01.wav	Truck traffic consistently distant. Rarely faint car horns echoing from city. Classic urban din. Loop.
AMBTraf_TRANS-Traffic Truck Distant City Day Ambience Loop_B00M_NP01.wav	Truck traffic mostly distant with echo of city horns at times. Trucks clearly maneuvering. Truck horn signals near end. Loop.
AMBTraf_TRANS-Traffic Truck Muffled Din Loop_B00M_NP01.wav	Truck traffic muffled distant, sometimes roaring. Loop.
BOATFish_TRANS-Tugboat Cruising Speed Distant Loud Drone_B00M_NP01.wav	Tugboat pushes load up river. Loud eep thudding drone of engine at a distance.
BOATInt_TRANS-Ship Cruising Speed Loop_B00M_NP01.wav	Ship interior space at cruising speed with sounds of ventilation and rumble of engines and waves against hull blend to consistent din. Loop.
BOATInt_TRANS-Ship Embarks_B00M_NP01.wav	Ship embarks with consistent hum of ventilation and increasing wave slaps against hull as recorded from enclosed area of deck.
BOATMotr_TRANS-Boat Diesel Engine Cruising Speed Loop_B00M_NP01.wav	Diesel river boat engine at cruising speed. Loud and clear. Loop.
BOATMotr_TRANS-Boat Diesel Engine Idle Loop V1_B00M_NP01.wav	Diesel river boat idles. Loop.
BOATMotr_TRANS-Boat Diesel Engine Idle Loop V2_B00M_NP01.wav	Diesel river boat idles. Loop.
BOATMotr_TRANS-Boat Diesel Engine Idle Loop V3_B00M_NP01.wav	Diesel river boat idles. Loud and clear. Loop.
BOATMotr_TRANS-Boat Diesel Idle Accelerate Idle Loop_B00M_NP01.wav	Diesel river boat idles closely then accelerates briefly and returns to idle. Loop.
BOATMotr_TRANS-Boat Diesel Idle Accelerates Repeats_B00M_NP01.wav	Diesel river boat idles closely then accelerates briefly and returns to idle and repeats process.
BOATMotr_TRANS-Boat Motor Cigarette Passes High Speed_B00M_NP01.wav	Cigarette boat passes at full speed in the distance. Faint birds evident at times. Lacks approach.
BOATMotr_TRANS-Boat Motor Cruiser Passes High Speed_B00M_NP01.wav	Motorboat passes at full speed in the distance. Fade out is short as boat rounds point of land. Faint birds evident at times.
BOATMotr_TRANS-Boat Motor Cruiser Passes Moderate Speed_B00M_NP01.wav	Older motorboat cruises past moderate speed at a distance.
BOATMotr_TRANS-Boat Motor Engine High Speed Loop_B00M_NP01.wav	Motorboat engine at high speed. Loop.
BOATMotr_TRANS-Boat Underwater Engine Idle Loop_B00M_NP01.wav	Underwater recording of boat with idling engine. Loop.
BOATMotr_TRANS-Boat Underwater Propeller Engages Tapping_B00M_NP01.wav	Underwater recording of boat propeller engaging twice with tapping of engine clear throughout.
BOATMotr_TRANS-Boat Underwater Propeller Engages_B00M_NP01.wav	Underwater recording of boat propeller engaging.
BOATRow_TRANS-Canoe Paddle Series Delicate V1_B00M_NP01.wav	Series of well isolated paddle strokes in still water. Drips, hands on handle sounds at times, stroke varies.
BOATRow_TRANS-Canoe Paddle Series Delicate V2_B00M_NP01.wav	Series of well isolated paddle strokes in still water. Drips, hands on handle sounds at times, stroke varies.

TRANSPORTATION

FILENAME	DESCRIPTION
BOATRow_TRANS-Canoe Paddle Series Strong V1_B00M_NP01.wav	Series of well isolated paddle strokes in still water. Strong strokes deep into water.
BOATRow_TRANS-Canoe Paddle Series Strong V2_B00M_NP01.wav	Series of well isolated paddle strokes in still water. Strong strokes deep into water.
BOATRow_TRANS-Canoe Paddle Series Vigorous_B00M_NP01.wav	Series of well isolated paddle strokes in still water. Vigorous strokes.
BOATShip_TRANS-Ship Deck Din Loop_B00M_NP01.wav	Ship din from deck with ventilation hum and various faint thuds. Loop.
BOATShip_TRANS-Ship Deck Din Louder Loop_B00M_NP01.wav	Ship din from deck with ventilation hum and various faint thuds. Loop.
BOATShip_TRANS-Ship Hull Din Loop Contact Mic V1_B00M_NP01.wav	Ship hull sounds are soft, consistent and very low frequency with occasional quiet thuds. Loop.
BOATShip_TRANS-Ship Hull Din Loop Contact Mic V2_B00M_NP01.wav	Ship hull sounds are very soft, consistent and very low frequency with occasional quiet thuds. Loop.
BOATShip_TRANS-Ship Hull Din Loop V1_B00M_NP01.wav	Ship hull sounds space age. Loop.
BOATShip_TRANS-Ship Hull Din Loop V2_B00M_NP01.wav	Ship hull sounds space age. Deep low frequency pulsing. Loop.
BOATShip_TRANS-Ship Hull Din Loop V3_B00M_NP01.wav	Ship hull sounds space age. Slow breath like deep low frequency pulses. Loop.
BOATShip_TRANS-Ship Hull Din Loop V4_B00M_NP01.wav	Ship hull sounds space age. Moderately fast deep low frequency pulses. Loop.
BOATShip_TRANS-Ship Hull Din Loop V5_B00M_NP01.wav	Ship hull sounds space age. Rythmic deep low frequency surges. Loop.
BOATShip_TRANS-Ship Hull Din Loop V6_B00M_NP01.wav	Ship hull sounds space age. Rythmic deep low frequency surges with hollow tapping. Loop.
BOATShip_TRANS-Ship Hull Din Loop V7_B00M_NP01.wav	Ship hull sounds space age. Very deep low frequency surges. Earth shaking. Loop.
BOATShip_TRANS-Ship Hull Din Loop V8_B00M_NP01.wav	Ship hull sounds space age. Very deep and loud low frequency surges. Loop.
BOATShip_TRANS-Ship Hull Din Loop V9_B00M_NP01.wav	Ship hull sounds space age. Soft low frequency surges with background rush. Loop.
TRNClak_TRANS-Train Freight Handling Rail Joint Loop_B00M_NP01.wav	Freight train wheels pass moderately slow over rail joint. Loop
TRNDiesl_TRANS-Train Freight Distant Faint Horn Blasts Whining_B00M_NP01.wav	Distant night train hauling freight approaches quickly with whining engines and textures characteristic of completely still atmosphere.
TRNDiesl_TRANS-Train Freight Distant Faint Horn Blasts_B00M_NP01.wav	Distant night train hauling freight announces approach with faint horn blasts, stampedes closer and louder with full power then fades. Rail joint evident at times indicated by faint clanking.
TRNDiesl_TRANS-Train Freight Distant Rumbling Faint Horn Blasts_B00M_NP01.wav	Distant night train hauling freight announces approach with distant horn blasts, rumbles closer and louder with wheel howling then fades.
TRNDiesl_TRANS-Train Freight Distant Rumbling_B00M_NP01.wav	Distant night train hauling freight rumbles louder and louder then gradually fades.
TRNDiesl_TRANS-Train Freight Distant Wheel Flange Loop_B00M_NP01.wav	Night freight train squeals and rings as rounding curve, echoes off mountainsides. Thundering. Mesmerizing space. Loop.
TRNDiesl_TRANS-Train Freight Horn Blasts Crossing Bell_B00M_NP01.wav	Loud bell at level crossing is quickly followed by fast moving freight train with horn blasts. Bell at level crossing starts and stops naturally.
TRNDiesl_TRANS-Train Freight Horn Blasts Doppler_B00M_NP01.wav	Long spacious approach of heavy freight train with distant horn blasts before peak blast exhibiting Doppler effect. Long series of various old freight cars with noisy wheels follows.

TRANSPORTATION

FILENAME	DESCRIPTION
TRNDiesl_TRANS-Train Freight Horn Blasts Echoes Haunting_B00M_NP01.wav	Distant night train hauling freight blast horn in distance rumbles louder then gradually fades.
TRNDiesl_TRANS-Train Freight Horn Blasts Echoes Mountain Valley_B00M_NP01.wav	Distant night train hauling freight up mountain with multiple horn blasts followed by echoes, then subsides to be followed by a second train that starts up with deep thrumming and draws closer, blasts horn with clear mountain echoes.
TRNDiesl_TRANS-Train Freight Horn Blasts Mountain Echoes_B00M_NP01.wav	Freight train thunders up mountain with long introductory blasts followed by freight cars in distance. Echoes of blasts prominent. River rushes faintly in background at beginning and end.
TRNDiesl_TRANS-Train Freight Horn Blasts Pass Long Consistent_B00M_NP01.wav	Freight train approaches from distance with horn blasts as it enters small town at night. Multiple locomotives pulling long series of similar freight cars. Long fade away, naturally.
TRNDiesl_TRANS-Train Freight Horn Blasts Pass Long Dramatic_B00M_NP01.wav	Thundering approach of freight train with many locomotives in series then horn blasts and very long train of freight cars remains moderately loud as it travels into distance.
TRNDiesl_TRANS-Train Freight Horn Blasts Thundering Classic_B00M_NP01.wav	Classic passing of freight train with load horn blasts at beginning followed by loud cars with diverse sounds. Overwhelming thundering sound of weight and power throughout passing of train.
TRNDiesl_TRANS-Train Freight Horn Blasts Thundering Long_B00M_NP01.wav	Freight train approaches slowly and thundering through rural town with prominent horn blasts repeating frequently followed by long consistent rumbling freight cars indicative of inter-modal containers.
TRNDiesl_TRANS-Train Freight Horn Blasts Town Echoes Long_B00M_NP01.wav	Long freight train approaches gradually pulling light load at uniform speed giving loud clear echoey horn blasts in small town at night. Sustained passing of freight cars, rumbling builds, becoming moaning, then fades gradually.
TRNDiesl_TRANS-Train Freight Horn Blasts Town Echoes_B00M_NP01.wav	Long freight train approaches gradually pulling heavy load at uniform speed through town giving horn blasts at road crossing. Builds dramatically and fades very gradually.
TRNDiesl_TRANS-Train Freight Pass Close Long Various_B00M_NP01.wav	Long freight train passes close with various freight cars exhibiting different sonic expressions on continuous rail.
TRNDiesl_TRANS-Train Freight Pass Close_B00M_NP01.wav	Diesel locomotive of freight train passes quickly after long squealing approach and long fade away downline. Post pass is crossing with rail thuds.
TRNDiesl_TRANS-Train Freight Pass Front Engine_B00M_NP01.wav	Long freight train on continuous rail with old wheels hammering along.
TRNDiesl_TRANS-Train Freight Pass Rail Tingles_B00M_NP01.wav	Diesel locomotive of freight train passes with rail tingles on approach.
TRNDiesl_TRANS-Train Freight Pass Rear Engine_B00M_NP01.wav	Long freight train approaches quickly before dramatic roaring locomotive on tail end. Crossing bell in background at end. Frequent occurrence of flat wheels give numerous thudding sounds. Continuous rail.
TRNDiesl_TRANS-Train Freight Pass Uphill Thundering Squeals_B00M_NP01.wav	Long freight train on continuous rail on uphill grade thunders, squeals indicate curves, exceptionally diverse and powerful.
TRNElec_TRANS-Train Pass Commuter Mod Speed Smooth Long_B00M_NP01.wav	Long commuter train passes smoothly over continuous rail at moderate speed. Slight wind rumble and debris.
TRNElec_TRANS-Train Pass Commuter Mod Speed Smooth_B00M_NP01.wav	Commuter train passes smoothly over continuous rail at moderate speed.
TRNElec_TRANS-Train Pass Commuter Mod Speed Squeal_B00M_NP01.wav	Short commuter train passes smoothly over continuous rail with squeal at times.

TRANSPORTATION

FILENAME	DESCRIPTION
TRNElec_TRANS-Train Pass Commuter Sectioned Rail Bend Rear_B00M_NP01.wav	Commuter train passes over bend in sectioned rail at moderate speed causing wheel flange squeal against rail. Engine in rear.
TRNElec_TRANS-Train Pass Commuter Sectioned Rail Bend_B00M_NP01.wav	Commuter train passes over bend in sectioned rail at moderate speed causing wheel flange squeal against rail.
TRNElec_TRANS-Train Pass Commuter Sectioned Rail Bold_B00M_NP01.wav	Commuter train passes over sectioned rail moderate speed with pronounced joints in rail.
TRNElec_TRANS-Train Pass Commuter Sectioned Rail_B00M_NP01.wav	Commuter train passes over sectioned rail moderate speed.
TRNHorn_TRANS-Train Freight Horn Blasts Echo Loop_B00M_NP01.wav	Prominent horn blasts by freight hauling locomotive. Echoes. Loop.
TRNHorn_TRANS-Train Freight Horn Blasts Town Repeats_B00M_NP01.wav	Freight train approaches slowly and gives prominent blasts with locomotive bell ringing then blasts again at next road crossing.
TRNHorn_TRANS-Train Freight Horn Blasts Town_B00M_NP01.wav	Prominent horn blasts during level crossing in town.
TRNHspd_TRANS-Train Pass High Speed Passenger Slow Curve_B00M_NP01.wav	High speed passenger train passes more slowly around curve with squealing wheels against rail.
TRNHspd_TRANS-Train Pass High Speed Passenger V1_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail.
TRNHspd_TRANS-Train Pass High Speed Passenger V10_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Short train, some wind blown debris.
TRNHspd_TRANS-Train Pass High Speed Passenger V11_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Space-age.
TRNHspd_TRANS-Train Pass High Speed Passenger V12_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Fast and smooth.
TRNHspd_TRANS-Train Pass High Speed Passenger V2_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Jet-like roar.
TRNHspd_TRANS-Train Pass High Speed Passenger V3_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Rumbling roar.
TRNHspd_TRANS-Train Pass High Speed Passenger V4_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Ringing whoosh.
TRNHspd_TRANS-Train Pass High Speed Passenger V5_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Generically smooth.
TRNHspd_TRANS-Train Pass High Speed Passenger V6_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Roaring like lion at times.
TRNHspd_TRANS-Train Pass High Speed Passenger V7_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Eerie bird like echoes.
TRNHspd_TRANS-Train Pass High Speed Passenger V8_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Chanting.
TRNHspd_TRANS-Train Pass High Speed Passenger V9_B00M_NP01.wav	High speed passenger train passes quickly over continuous rail. Missile-like approach.
TRNInt_TRANS-Train Passenger Car Interior Fast Loop_B00M_NP01.wav	Interior of passenger train while traveling fast over continuous rail. Loop.
TRNInt_TRANS-Train Passenger Car Interior Mod Fast Loop_B00M_NP01.wav	Interior of passenger train while traveling moderately fast over continuous rail. Loop.
TRNInt_TRANS-Train Passenger Car Interior Mod Slow Loop_B00M_NP01.wav	Interior of passenger train while traveling moderately slow over continuous rail. Loop.
TRNInt_TRANS-Train Passenger Car Interior Sec Rail Fast Loop_B00M_NP01.wav	Interior of passenger train while traveling fast over sectioned rail. Loop.

TRANSPORTATION

FILENAME	DESCRIPTION
TRNInt_TRANS-Train Passenger Car Interior Sec Rail Mod Fast Loop V2_B00M_NP01.wav	Interior of passenger train while traveling moderately fast over sectioned rail. Squeaky hardware in passenger cabin space throughout. Loop.
TRNInt_TRANS-Train Passenger Car Interior Sec Rail Slow Loop V1_B00M_NP01.wav	Interior of passenger train while traveling moderately slow over sectioned rail. Loop.
TRNInt_TRANS-Train Passenger Car Interior Sec Rail Slow Loop V2_B00M_NP01.wav	Interior of passenger train while traveling moderately slow over sectioned rail. Loop.
TRNInt_TRANS-Train Passenger Car Interior Very Fast Loop_B00M_NP01.wav	Interior of passenger train while traveling very fast over continuous rail. Projectile whistle sounds with metal squeaks. Loop.
TRNMech_TRANS-Train Freight Handling High Speed Loop_B00M_NP01.wav	Freight train box car quickly moves along at high speed very consistently on continuous rail. Loop.
TRNMech_TRANS-Train Freight Handling Initial Pull_B00M_NP01.wav	Metal strains with thud during initial pull forward.
TRNMech_TRANS-Train Freight Handling Metal Stress Mod Slow Loop_B00M_NP01.wav	Metal stresses at moderately slow speed with clanking and squealing. Loop.
TRNMech_TRANS-Train Freight Handling Metal Stress Slow Loop_B00M_NP01.wav	Metal stresses at slow speed. Loop.
TRNMech_TRANS-Train Freight Handling Mod Slow Thuds Squeal Loop_B00M_NP01.wav	Metal stresses at moderately slow speed with thuds and loud clear squeals. Loop.
TRNMech_TRANS-Train Freight Handling Mod Speed Booming Loop_B00M_NP01.wav	Freight train box car booming at moderate speed. Loop.
TRNMech_TRANS-Train Freight Handling Mod Speed Clanging Loop_B00M_NP01.wav	Freight train box car clangs over rail joint at moderate speed. Loop.
TRNMech_TRANS-Train Freight Handling Mod Speed Clanking Loop_B00M_NP01.wav	Freight train box car booms and clanks at moderate speed. Loop.
TRNMech_TRANS-Train Freight Handling Mod Speed Rubbing Loop_B00M_NP01.wav	Freight train box car rubbing at moderate speed. Loop.
TRNMech_TRANS-Train Freight Handling Mod Speed Rumbling Loop_B00M_NP01.wav	Freight train box car rumbles at moderate speed. Loop.
TRNMech_TRANS-Train Freight Handling Mod Speed Thundering Loop_B00M_NP01.wav	Freight train box car thundering and groaning with some wheel flange on curve at moderate speed. Loop.
TRNSbwy_TRANS-Train Passenger Pass Underground Curve_B00M_NP01.wav	Train pass underground rail. Pronounced wheel flange squeal against rail during curve.
TRNSbwy_TRANS-Train Passenger Pass Underground Moaning_B00M_NP01.wav	Train pass underground rail. Moaning.

TRANSPORTATION

FILENAME	DESCRIPTION
TRNSbwy_TRANS-Train Passenger Pass Underground Pulsing_B00M_NP01.wav	Train pass underground rail. Pulsing.
TRNSbwy_TRANS-Train Passenger Pass Underground Rhythmic Loud_B00M_NP01.wav	Train pass underground rail. Rhythmic and louder than previous.
TRNSbwy_TRANS-Train Passenger Pass Underground Rhythmic_B00M_NP01.wav	Train pass underground rail. Rhythmic.
TRNSbwy_TRANS-Train Passenger Pass Underground Roaring_B00M_NP01.wav	Train pass underground rail. Roaring.
TRNSbwy_TRANS-Train Passenger Pass Underground Rushing_B00M_NP01.wav	Train pass underground rail. Rushing.
TRNSbwy_TRANS-Train Passenger Pass Underground Thudding_B00M_NP01.wav	Train pass underground rail. Thudding.
TRNSbwy_TRANS-Train Passenger Pass Underground Tingles_B00M_NP01.wav	Train pass underground rail. Pronounced rail tingle on approach.
VEHBy_TRANS-Car Large Pass Smooth_B00M_NP01.wav	Large car passes smoothly and moderately fast on dry road surface.
VEHBy_TRANS-Car Pass Accelerates Shifts Gear_B00M_NP01.wav	Car passes moderately fast while accelerating and shifting gears once.
VEHBy_TRANS-Car Pass Cobblestone_B00M_NP01.wav	Car passes slowly over cobblestone street.
VEHBy_TRANS-Car Pass Fast Smooth Closer_B00M_NP01.wav	Car passes close and quickly over smooth road surface.
VEHBy_TRANS-Car Pass Fast Smooth_B00M_NP01.wav	Car passes quickly over smooth road surface.
VEHBy_TRANS-Car Pass Full Size Smooth_B00M_NP01.wav	Full size car passes on smooth road.
VEHBy_TRANS-Car Pass Gravel_B00M_NP01.wav	Car passes moderate speed over well packed gravel road.
VEHBy_TRANS-Car Pass Long Large_B00M_NP01.wav	Long lasting car pass on smooth road surface, fullsize.
VEHBy_TRANS-Car Pass Long_B00M_NP01.wav	Long lasting car pass on smooth road surface.
VEHBy_TRANS-Car Pass Moist_B00M_NP01.wav	Car passes moderately fast on moist road surface.
VEHBy_TRANS-Car Pass More Granular_B00M_NP01.wav	Car passes on very granular road surface.
VEHBy_TRANS-Car Pass Quick Road Debris_B00M_NP01.wav	Fullsize car passes quickly on road with subtle windblown debris.
VEHBy_TRANS-Car Pass Quick_B00M_NP01.wav	Car passes quickly smooth road surface.
VEHBy_TRANS-Car Pass Smooth Closer_B00M_NP01.wav	Car passes moderately fast and close over smooth road surface.
VEHBy_TRANS-Car Pass Smooth Tires New_B00M_NP01.wav	Car passes moderately fast on smooth road surface with new tire tread.
VEHBy_TRANS-Car Pass Smooth_B00M_NP01.wav	Car passes moderately fast over smooth road surface.

TRANSPORTATION

FILENAME	DESCRIPTION
VEHBy_TRANS-Car Pass Very Granular_B00M_NP01.wav	Fullsize car pass on very granular road surface.
VEHBy_TRANS-Traffic Car Pass Single Tunnel Exit_B00M_NP01.wav	Single car pass through tunnel at exit point.
VEHBy_TRANS-Traffic Car Pass Single Tunnel_B00M_NP01.wav	Single car pass through tunnel. Soft.
VEHFrghT_TRANS-Truck Bump Pass Shifts_B00M_NP01.wav	Large truck turns passes shifts on smooth road.
VEHFrghT_TRANS-Truck Pass Chain Rattles_B00M_NP01.wav	Large truck pass with chain rattles and faint birds at end.
VEHFrghT_TRANS-Truck Pass Close Slow_B00M_NP01.wav	Diesel truck passes close and slow.
VEHFrghT_TRANS-Truck Pass Debris_B00M_NP01.wav	Large truck passes with debris.
VEHFrghT_TRANS-Truck Pass Engine Whining_B00M_NP01.wav	Large truck slows shifts passes with engine high pitch whining.
VEHFrghT_TRANS-Truck Pass Highway_B00M_NP01.wav	Large truck passes at highway speed, classic.
VEHFrghT_TRANS-Truck Pass Jake Brake_B00M_NP01.wav	Large water truck slows by jake brake during downshift then passes. Drone faint from water pump onboard truck.
VEHFrghT_TRANS-Truck Pass Large_B00M_NP01.wav	Large truck pass on smooth road.
VEHFrghT_TRANS-Truck Pass Long Maneuver Stops Turns Shifting_B00M_NP01.wav	Large truck approaches through town, passes, slows stops, accelerates shifts turns.
VEHFrghT_TRANS-Truck Pass Long_B00M_NP01.wav	Long truck pass on smooth road.
VEHFrghT_TRANS-Truck Pass Mod Fast Smooth_B00M_NP01.wav	Large truck pass moderately fast smooth.
