QUIETUDES - DATA SHEET

FILENAME	DESCRIPTION
QP14 1715 Quietudes campfire embers.wav	Wilderness campfire embers in Little Yosemite Valley crackle with distant echo of Merced River against mountainsides. Flame burst at 1:47. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1716 Quietudes Prairies natural silence.wav	Natural silence on the prairie just before dawn. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1717 Quietudes Prairies natural silence roar.wav	Natural silence on the prairie includes faintest roar of distant wind. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1718 Quietudes Prairies natural silence rumble.wav	Natural silence on the prairie includes faintest rumble of distant wind. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1719 Quietudes Prairies dawn spacious.wav	Spacious dawn on prairie offers delicate windswept quiet. Birds barely audible. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1720 Quietudes Prairies dawn expansive V1.wav	Expansive dawn on prairie with very faint birds and coyotes. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1721 Quietudes Prairies dawn expansive V2.wav	Expansive dawn on prairie with very faint birds and delicate wind. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1722 Quietudes Prairies cricket chorus wind soft V1.wav	Gentle cricket chorus and soft wind on prairie. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1723 Quietudes Prairies cricket chorus wind soft V2.wav	Gentle cricket chorus and soft wind on prairie. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1724 Quietudes Prairies cricket chorus wind soft V3.wav	Gentle cricket chorus and wind stronger on prairie. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1725 Quietudes Prairies cricket trill wind.wav	Cricket trill and soft wind on prairie. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1726 Quietudes Tropical Forests water drips.wav	Faint water drips in tropical forest with faint roar of wind. Few insects. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1727 Quietudes Tropical Forests water drips birds.wav	Faint water drips in tropical forest with several birds. Few insects. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1728 Quietudes Tropical Forests insects frogs birds.wav	Soft and spacious tropical forest insects, frogs and birds. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1729 Quietudes Tropical Forests insects birds drips.wav	Faint insect chorus and birds with water drips in tropical forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1730 Quietudes Tropical Forests night insects frog.wav	Night insect chorus and frog offer peaceful rest in tropical forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1731 Quietudes Deciduous Forests dawn chorus onset.wav	Earliest moments at onset of dawn chorus of songbirds in deciduous forest. Birds very faint. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1732 Quietudes Deciduous Forests dawn chorus.wav	Dawn chorus faint and spacious in deciduous forest with mosquito at times. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1733 Quietudes Deciduous Forests midday.wav	Daytime wind roar with leaf rustle birds and cricket in deciduous forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1734 Quietudes Deciduous Forests night insects.wav	Insects trill late evening early night in deciduous forest with distant toad trills, owls hooting. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1735 Quietudes Deciduous Forests early dawn insects.wav	Faint insect trills and awakening birds in deciduous forest with distant frogs. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1736 Quietudes Wetlands faint frogs river rush.wav	Nearly silent with sub-audible frogs in wetlands and river rush. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1737 Quietudes Wetlands dawn spacious.wav	Faint frogs birds winged insect in wetlands during early dawn. Spacious. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1738 Quietudes Wetlands faint frog echoes.wav	Very faint frogs in wetlands. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1739 Quietudes Wetlands insects owls water splashes.wav	Early morning stillness at edge of swamp wetlands. Insects trill consistently with distant owl hoots and fish eating on surface of water. Very delicate. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1740 Quietudes Wetlands rain thunder frogs V1.wav	Quiet gentle rain on leaves with very distant thunder and faint frogs in wetlands. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1741 Quietudes Wetlands rain thunder frogs V2.wav	Quiet gentle rain on leaves with very distant thunder and faint frogs in wetlands. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1742 Quietudes Wetlands night frogs insects V1.wav	Quiet trill of insects with faint frogs at night in wetlands of Everglades National Park. Spacious. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1743 Quietudes Wetlands night frogs insects V2.wav	Quiet trill of insects with faint frogs at night in wetlands of Everglades National Park. Spacious. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1744 Quietudes Wetlands night frogs insects V3.wav	Quiet trill of insects with faint frogs at night in wetlands of Everglades National Park. Spacious. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1745 Quietudes Wetlands tropical insects birds V1.wav	Faint trill of insects and birds in tropical wetlands. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.

QUIETUDES

QUIETUDES - DATA SHEET

FILENAME	DESCRIPTION
QP14 1746 Quietudes Wetlands tropical insects birds V2.wav	Faint trill of insects and birds in tropical wetlands. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1747 Quietudes Wetlands rain puddle frogs.wav	Rain falls gently onto leaves and water with distant chorus frogs in wetlands. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1748 Quietudes Coniferous Forests natural silence.wav	Night quiet in coniferous forest with mysterious sub audible low frequency beats. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1749 Quietudes Coniferous Forests night breeze V1.wav	Quiet breeze in coniferous forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1750 Quietudes Coniferous Forests night breeze V2.wav	Quiet breeze in coniferous forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1751 Quietudes Coniferous Forests night breeze V3.wav	Quiet breeze in coniferous forest. Very faint single frog croak from distant lake shore. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1752 Quietudes Coniferous Forests night breeze V4.wav	Quiet breeze in coniferous forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1753 Quietudes Coniferous Forests night breeze V5.wav	Quiet variable breeze in coniferous forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1754 Quietudes Coniferous Forests day wind V1.wav	Day winds gentle in coniferous forest. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1755 Quietudes Coniferous Forests day wind V2.wav	Day winds gentle in coniferous forest with birds. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1756 Quietudes Coniferous Forests day wind V3.wav	Day winds gentle in coniferous forest with debris and very faint birds. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1757 Quietudes Canyons natural silence.wav	The faintest perceptible wind reverberation in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1758 Quietudes Canyons morning birdsong echoes V1.wav	Clearly audible morning birdsong with echoes in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1759 Quietudes Canyons morning birdsong echoes V2.wav	Clearly audible morning birdsong with echoes in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1760 Quietudes Canyons morning birdsong echoes V3.wav	Clearly audible morning birdsong with echoes in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1761 Quietudes Canyons day winds.wav	Soft wind through canyon with faint birds in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1762 Quietudes Canyons evening wind insects birds.wav	Evening wind soft, winged insects faint, birds faint in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1763 Quietudes Canyons evening wind birds.wav	Soft wind faint birds in canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1764 Quietudes Canyons night wind.wav	Soft night wind coming from canyon rim. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1765 Quietudes Deserts natural silence deep.wav	Near complete silence in desert. Under high amplification there are low frequencies rhythms. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1766 Quietudes Deserts natural silence deeper.wav	Natural silence with deep low frequency content in desert. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1767 Quietudes Deserts sandy quiet.wav	Sandy desert quiet. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1768 Quietudes Deserts wind sweeping.wav	Sweeping wind through desert. This is solitude. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1769 Quietudes Deserts wind pushing V1.wav	Wind through desert is drumming. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1770 Quietudes Deserts wind pushing V2.wav	Wind through desert is drumming. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1771 Quietudes Deserts wind hissing.wav	Wind through desert is hissing and quietly pervasive. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1772 Quietudes Deserts wind rolling.wav	Wind through dessert is rolling, throbbing, ever present. Bird very faint. Strong low frequency content. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1773 Quietudes Riparian stream birds.wav	Stream and birds in riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1774 Quietudes Riparian tropical river birds insects water.wav	Riverside quiet with insects, birds and rippling river in riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1775 Quietudes Riparian tropical insects stream.wav	Insects distinct, river ripple faint in riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1776 Quietudes Riparian stream drips birds.wav	Stream flow, drips and birds in riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1777 Quietudes Riparian mountain stream.wav	Mountain steam faint in riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1778 Quietudes Riparian mountain river.wav	Rushing mountain river fills valley riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.

QUIETUDES

QUIETUDES - DATA SHEET

FILENAME	DESCRIPTION
QP14 1779 Quietudes Riparian river rushing.wav	Merced River fills Yosemite Valley riparian zone. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1780 Quietudes Ocean Shores tranquil seas.wav	Gently lapping ocean on rocky shore. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1781 Quietudes Ocean Shores pebbled beach V1.wav	Ocean waves strike gently against pebbled shore. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1782 Quietudes Ocean Shores pebbled beach V2.wav	Ocean waves strike gently against pebbled shore. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1783 Quietudes Ocean Shores distant ocean rumble.wav	Distant ocean rumble near ocean shores. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1784 Quietudes Ocean Shores distant ocean rumble brighter.wav	Distant ocean rumble is bright near ocean shores. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1785 Quietudes Ocean Shores surf seagulls.wav	Distant ocean surf with seagulls near ocean shores. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1786 Quietudes Ocean Shores distant surf pounding.wav	Distant ocean surf is pounding, brief seagull near ocean shores. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1787 Quietudes Ocean Shores boulder beach.wav	Deep low frequency of ocean surf pounding boulder beach. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1788 Quietudes Ocean Shores surf sandy crickets faint.wav	Crickets and distant ocean surf on sandy beach. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1789 Quietudes Ocean Shores surf sandy crickets clear V1.wav	Distant ocean waves on sandy beach with crickets in sand dunes. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1790 Quietudes Ocean Shores surf sandy crickets clear V2.wav	Distant ocean waves on sandy beach with crickets in sand dunes. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1791 Quietudes Ocean Shores distant pebble beach.wav	Distant ocean waves on pebble beach. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1792 Quietudes Ocean Shores distant sandy beach.wav	Distant ocean waves on sandy beach. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1793 Quietudes Hawaii natural quiet resonant.wav	Deep low frequency content defines natural quiet in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1794 Quietudes Hawaii wind gentle insects.wav	Winged insect with distant wind and ocean waves in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1795 Quietudes Hawaii wind breezy.wav	Quiet wind breezy with winged insects in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1796 Quietudes Hawaii wind roar.wav	Wind lightly roaring in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1797 Quietudes Hawaii wind roar louder.wav	Wind lightly roaring, louder at times, in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1798 Quietudes Hawaii wind booming volcanic.wav	Wind at rim of volcano in Hawaii is booming. Authoritative. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1799 Quietudes Hawaii volcanic crater quiet wind V1.wav	Volcanic crater in Hawaii has quiet wind. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1800 Quietudes Hawaii volcanic crater quiet wind V2.wav	Volcanic crater in Hawaii has quiet wind insect flies shooting by. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1801 Quietudes Hawaii volcanic crater quiet wind V3.wav	Volcanic crater in Hawaii has quiet wind. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1802 Quietudes Hawaii volcanic crater quiet wind V4.wav	Volcanic crater in Hawaii has quiet wind winged insect flies shooting by. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1803 Quietudes Hawaii insects birds.wav	Quiet insects and birds in Hawaii make consistent dense sound bed. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1804 Quietudes Hawaii birds insects.wav	Birds in fern forest with winged insects in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1805 Quietudes Hawaii mosquitos insects birds.wav	Winged insects and birds produce quiet drone in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1806 Quietudes Hawaii insect chorus dense.wav	Faint insects produce dense chorus with few birds in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1807 Quietudes Hawaii stream birds wind.wav	Gentle forest stream with birds in Hawaii. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1808 Quietudes low frequency beach cave V1.wav	Low frequency content harvested from beach cave. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1809 Quietudes low frequency beach cave V2.wav	Low frequency content harvested from beach cave. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1810 Quietudes low frequency beach cave V3.wav	Low frequency content harvested from beach cave. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1811 Quietudes low frequency waterfall.wav	Low Frequency harvested from Yosemite waterfall. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.

QUIETUDES

QUIETUDES - DATA SHEET

FILENAME	DESCRIPTION
QP14 1812 Quietudes low frequency canyon.wav	Low Frequency harvested from large windswept canyon. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1813 Quietudes low frequency volcano.wav	Low frequency harvested from active volcano. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP14 1814 Quietudes low frequency volcano active.wav	Low frequency harvested from active volcano with distant ocean. To playback at correct volume levels use QP01 0000 Volume adjustment.wav. Loop.
QP13 1660 Deserts tropical morning birds.wav	Morning birds include Ashy Tit and Red-eyed Bulbul. NR applied. Loop.
QP13 1661 Deserts tropical morning insects birds V1.wav	Morning on desert with hum of insect wings and birds including prominent Red-eyed Bulbul with Pirit Batis and Cape Turtle Dove in background. Unusual insect starts at 5:26. Loop.
QP13 1662 Deserts tropical morning insects birds V2.wav	Morning on desert with hum of insect wings and birds including prominent Red-eyed Bulbul with Cape Turtle Dove and Laughing Dove in background. Loop.
