

TACTICAL GUNS

FILENAME	DESCRIPTION
GUNAuto_AR-AK47 Close Auto_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Full auto. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-AK47 Close Bursts_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Burst fire. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-AK47 Close Single_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Single shot. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-AK47 Distant Auto_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Full auto. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-AK47 Distant Bursts_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Burst fire. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-AK47 Distant Single_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Single shot. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-AK47 Heavy Auto_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Full auto. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-AK47 Heavy Bursts_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Burst fire. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-AK47 Heavy Single_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Single shot. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-AK47 Mechanical Auto_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Full auto. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-AK47 Mechanical Bursts_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Burst fire. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-AK47 Mechanical Single_B00M_TGDS.wav	Kalashnikov. Gas operated selective fire assault rifle chambered in 7.62x39mm with a rotating bolt. Single shot. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-FN FAL Close Auto_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Full auto. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.

TACTICAL GUNS

FILENAME	DESCRIPTION
GUNAuto_AR-FN FAL Close Bursts_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Burst fire. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-FN FAL Close Single_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Single shot. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-FN FAL Distant Auto_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Full auto. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-FN FAL Distant Bursts_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Burst fire. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-FN FAL Distant Single_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Single shot. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-FN FAL Heavy Auto_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Full auto. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-FN FAL Heavy Bursts_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Burst fire. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-FN FAL Heavy Single_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Single shot. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-FN FAL Mechanical Auto_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Full auto. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-FN FAL Mechanical Bursts_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Burst fire. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-FN FAL Mechanical Single_B00M_TGDS.wav	Fabrique Nationale Fusil Automatique Léger. Gas operated semi automatic battle rifle chambered in 7.62x51mm NATO with a tilting bolt. Single shot. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.

TACTICAL GUNS

FILENAME	DESCRIPTION
GUNAuto_AR-HK G36 Close Auto_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Full auto. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-HK G36 Close Bursts_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Burst fire. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-HK G36 Close Single_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Single shot. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-HK G36 Distant Auto_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Full auto. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-HK G36 Distant Bursts_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Burst fire. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-HK G36 Distant Single_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Single shot. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-HK G36 Heavy Auto_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Full auto. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-HK G36 Heavy Bursts_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Burst fire. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-HK G36 Heavy Single_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Single shot. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNAuto_AR-HK G36 Mechanical Auto_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Full auto. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-HK G36 Mechanical Bursts_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Burst fire. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.

TACTICAL GUNS

FILENAME	DESCRIPTION
GUNAuto_AR-HK G36 Mechanical Single_B00M_TGDS.wav	Heckler & Koch. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Single shot. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNAuto_AR-IWI Galil Close Auto_B00M_TGDS.wav	Israeli Weapon Industries, IDF Defender. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Full auto. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-IWI Galil Close Bursts_B00M_TGDS.wav	Israeli Weapon Industries, IDF Defender. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Burst fire. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-IWI Galil Close Single_B00M_TGDS.wav	Israeli Weapon Industries, IDF Defender. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Single shot. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNAuto_AR-IWI Galil Distant Auto_B00M_TGDS.wav	Israeli Weapon Industries, IDF Defender. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Full auto. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-IWI Galil Distant Bursts_B00M_TGDS.wav	Israeli Weapon Industries, IDF Defender. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Burst fire. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNAuto_AR-IWI Galil Distant Single_B00M_TGDS.wav	Israeli Weapon Industries, IDF Defender. Gas operated selective fire assault rifle chambered in 5.56x45mm NATO with a rotating bolt. Single shot. GUNRif_RI-S&W; Model 29 Heavy_B00M_TGDS.wav	Smith & Wesson Model 29. Double action revolver chambered in .44 Magnum with a six round cylinder. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNRif_RI-S&W; Model 29 Mechanical_B00M_TGDS.wav	Smith & Wesson Model 29. Double action revolver chambered in .44 Magnum with a six round cylinder. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNRif_RI-SVD Dragunov Close_B00M_TGDS.wav	Soviet Dragunov sniper rifle. Gas operated semi automatic designated marksman rifle chambered in 7.62x54mmR with a rotating bolt. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNRif_RI-SVD Dragunov Distant_B00M_TGDS.wav	Soviet Dragunov sniper rifle. Gas operated semi automatic designated marksman rifle chambered in 7.62x54mmR with a rotating bolt. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNRif_RI-SVD Dragunov Heavy_B00M_TGDS.wav	Soviet Dragunov sniper rifle. Gas operated semi automatic designated marksman rifle chambered in 7.62x54mmR with a rotating bolt. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNRif_RI-SVD Dragunov Mechanical_B00M_TGDS.wav	Soviet Dragunov sniper rifle. Gas operated semi automatic designated marksman rifle chambered in 7.62x54mmR with a rotating bolt. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNShotg_SG-Kel Tec KSG Close_B00M_TGDS.wav	Bullpup dual tube pump action shotgun chambered in 12 Gauge. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.

TACTICAL GUNS

FILENAME	DESCRIPTION
GUNShotg_SG-Kel Tec KSG Distant_B00M_TGDS.wav	Bullpup dual tube pump action shotgun chambered in 12 Gauge. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNShotg_SG-Kel Tec KSG Heavy_B00M_TGDS.wav	Bullpup dual tube pump action shotgun chambered in 12 Gauge. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNShotg_SG-Kel Tec KSG Mechanical_B00M_TGDS.wav	Bullpup dual tube pump action shotgun chambered in 12 Gauge. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNShotg_SG-Remington 870 Close_B00M_TGDS.wav	Pump action shotgun chambered in 12 Gauge. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNShotg_SG-Remington 870 Distant_B00M_TGDS.wav	Pump action shotgun chambered in 12 Gauge. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNShotg_SG-Remington 870 Heavy_B00M_TGDS.wav	Pump action shotgun chambered in 12 Gauge. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
GUNShotg_SG-Remington 870 Mechanical_B00M_TGDS.wav	Pump action shotgun chambered in 12 Gauge. Focused on the mechanical components and moving parts. Tight low end with a thin, delicate tail and rich detail in the cycling action.
GUNShotg_SG-Saiga 12 Close_B00M_TGDS.wav	Gas operated semi automatic shotgun chambered in 12 Gauge with a rotating bolt. Punchy and aggressive with a hard, sharp tail. Mechanical details are clearly present and defined, giving it a tight, modern character.
GUNShotg_SG-Saiga 12 Distant_B00M_TGDS.wav	Gas operated semi automatic shotgun chambered in 12 Gauge with a rotating bolt. Subtle and airy with a soft, slowly fading tail. Mechanical detail is minimal and the overall character feels wide and atmospheric.
GUNShotg_SG-Saiga 12 Heavy_B00M_TGDS.wav	Gas operated semi automatic shotgun chambered in 12 Gauge with a rotating bolt. Designed for maximum impact. Extremely loud with a massive, dominant tail and very little mechanical presence. Raw and powerful.
