

FILENAME	DESCRIPTION
QP09 1017 Wetlands swamp early morning trickle 5.0.wav	Swamp, early morning trickling water with distant cricket chorus and faint whine of mosquitoes, animal splash in background.
QP09 1018 Wetlands swamp early morning breeze 5.0.wav	Swamp early morning breeze with splashes, faint crickets, occasional distant single whoop of Barred Owl and distant single Pig Frog.
QP09 1019 Wetlands swamp early morning frog echoes 5.0.wav	Swamp early morning Southern Leopard Frogs dominate with Carpenter Frogs in background. Echoes provide large sense of space.
QP09 1020 Wetlands swamp early morning frogs V1 5.0.wav	Swamp early morning with Southern Leopard Frogs prominent, Great Blue Heron squawk, insects chorus in background. Moth flutters at times.
QP09 1021 Wetlands swamp early morning frogs V2 5.0.wav	Swamp early morning with Southern Leopard Frogs very conspicuous at start then Pig Frogs and Southern Cricket Frogs in background with insects.
QP09 1022 Wetlands swamp morning frogs 5.0.wav	Swamp morning Pig Frogs dominate, Yellow-crowned Night-Heron squawk, background insect chorus and Southern Cricket Frogs.
QP09 1023 Wetlands swamp morning soft insects distant frogs 5.0.wav	Swamp morning soft insect chorus with distant Bullfrogs and Bird-voiced Treefrogs. Mosquitos present, close at times.
QP09 1024 Wetlands swamp morning birds mosquitoes 5.0.wav	Swamp morning with moderately distant crickets, American Crow, repetitive Barred Owl, Gray Catbird, Carolina Wren, Brown Thrasher, Northern Cardinal. Occasional mosquitoes, sometimes very close and landing. Southern Leopard Frog distinct but seldom with distant Pig Frog.
QP09 1025 Wetlands swamp morning insects owls splashes 5.0.wav	Swamp morning prominent Barred Owl hoots and whoops, soft insect chorus, water splashes from fish feeding, breeze passes overhead, brief Little Grass Frog.
QP09 1026 Wetlands swamp morning insects V1 5.0.wav	Swamp morning insect trills background with Eastern Whip-poor-will.
QP09 1027 Wetlands swamp morning insects V2 5.0.wav	Swamp morning quiet ambience with soft insect chorus, background bird chatter, water splashes.
QP09 1028 Wetlands swamp morning frogs songbirds 5.0.wav	Swamp with prominent frogs and songbirds, insects in background. Birds include Northern Cardinal, Carolina Wren, Prothonotary Warbler, Summer Tanager. Frogs include Bullfrogs, Bird-voiced Treefrogs, Green Frogs. Faint water splashes at times.
QP09 1029 Wetlands swamp morning mosquitoes songbirds 5.0.wav	Swamp morning with constant close mosquitoes and featured Yellow-breasted Chat with background Northern Cardinal, Great Crested Flycatcher, Indigo Bunting, Yellow-billed Cuckoo, Bullfrogs.
QP09 1030 Wetlands swamp evening crickets frogs toads 5.0.wav	Swamp evening crickets with prominent Green Treefrogs with Fowler's Toads screeching in background.
QP09 1031 Wetlands swamp evening toads insects 5.0.wav	Swamp Fowler's Toads conspicuously calling back and forth with crickets and faint mosquito hum. Background with feeding fish, Northern Cricket Frogs, insect trill.
QP09 1032 Wetlands swamp evening toads 5.0.wav	Swamp dominated by Fowler's Toads screeching back and forth. Crickets in background.
QP09 1033 Wetlands swamp evening insects 5.0.wav	Swamp insects trill with feeding fish splashes, distant Fowler's Toads screeching, Southern Leopard Frogs and Northern Cricket Frogs also in background with distant Barred Owl hoots.
QP09 1034 Wetlands swamp early night frog chorus 5.0.wav	Swamp early night frog chorus dominated by Bullfrogs, Bird-voiced Treefrogs, Green Treefrogs with others in the background. Rapid splashes of jumping frog. Chorus builds and subsides repetitively.
QP09 1035 Wetlands swamp night rain frogs 5.0.wav	Swamp night with Bird-voiced Treefrogs, Barred Owl whoops, and background Green Frogs. Light rain. Occasional mosquito.
QP09 1036 Wetlands swamp night drips frogs cricket 5.0.wav	Swamp night drips with Bird-voiced Treefrogs and crickets, background Green Frogs. Occasional mosquito.
QP09 1037 Wetlands swamp night frog chorus V1 5.0.wav	Swamp night with Bird-voiced Treefrogs and Bullfrogs dominating. Also Green Treefrogs, Green Frogs, Northern Cricket Frogs in foreground. Insect trills and light drips. Complex building and subsiding of multiple species.
QP09 1038 Wetlands swamp night frog chorus V2 5.0.wav	Swamp night frog chorus with Bullfrogs, Green Tree Frogs, Bird-voiced Treefrogs, Green Frogs. Builds and subsides repetitiously.
QP09 1039 Wetlands swamp late night frog chorus 5.0.wav	Swamp late night with Bullfrogs, Green Frogs, and Green Treefrogs all in foreground. Northern Cricket Frog and Bird-voiced Treefrogs appear intermittently. Trill of distant insects various.
QP09 1040 Wetlands marsh early morning trickle birds 5.0.wav	Freshwater marsh early morning with trickle prominent, birdsong developing, mosquitoes close at times. Dark-eyed Junco and American Bittern are prominent birds while White-throated Sparrow, Nashville Warbler, Barred Owl, Yellow-bellied Sapsucker (drumming), American Robin, Common Loon, unidentified gulls, Spring Peepers are present in background. Brief voice of American Toads.
QP09 1041 Wetlands marsh early morning coyote chorus 5.0.wav	Freshwater marsh early morning with Coyote choruses. Sora present. Boreal Chorus Frogs throughout in background. Distant coyotes answer featured coyote chorus. Overall quiet, peaceful and expansive. Distant flowing water.
QP09 1042 Wetlands marsh early morning mosquito cloud birdsong 5.0.wav	Freshwater marsh early morning distant birdsong and developing mosquito cloud. Birds in background are Red-winged Blackbird, Mourning Dove, and Western Meadowlark.
QP09 1043 Wetlands marsh morning birds V1 5.0.wav	Freshwater marsh morning birds including prominent Marsh Wren, Song Sparrow, Red-winged Blackbird, American Coot, Canada Goose with Sandhill Crane, American Robin in background.

FILENAME	DESCRIPTION
QP09 1044 Wetlands marsh morning birds V2 5.0.wav	Freshwater marsh morning birds with Canada Goose, Mallard, American Coot, Red-winged Blackbird, Song Sparrow, Marsh Wren with Sora at times in background.
QP09 1045 Wetlands marsh morning cacophony 5.0.wav	Freshwater marsh morning cacophony of Marsh Wren center with Yellow-headed Blackbird filling background with busy Canada Geese.
QP09 1046 Wetlands marsh day birds 5.0.wav	Freshwater marsh daytime with Marsh Wren center, then Sora, Yellow-headed Blackbird, Sandhill Crane, American Coot in background. Some water play.
QP09 1047 Wetlands marsh day bird wind 5.0.wav	Freshwater marsh with prominent Marsh Wren and passing breeze. Red-winged Blackbird, Willet, Canada Goose, Black-crowned Night-Heron in background.
QP09 1048 Wetlands marsh day birds close busy 5.0.wav	Freshwater marsh active daytime birds with Common Yellowthroat, Song Sparrow, Red-winged Blackbird, Yellow-headed Blackbird, Mourning Dove, American Coot, Black-billed Magpie, Sora, Western Meadowlark. Background with American Bittern, Eastern Kingbird, Ring-necked Pheasant.
QP09 1049 Wetlands marsh day birds busy 5.0.wav	Freshwater marsh active daytime with Canada Goose, Marsh Wren, Red-winged Blackbird, Ring-necked Pheasant. Yellow-headed Blackbird, Virginia Rail in background.
QP09 1050 Wetlands marsh day birds active clear 5.0.wav	Freshwater marsh with Red-winged Blackbird, Marsh Wren, Ring-necked Pheasant. Spacious. Wilson's Snipe at times in background.
QP09 1051 Wetlands marsh day birds spacious V1 5.0.wav	Freshwater marsh daytime with prominent Yellow-headed Blackbird well spaced and Red-winged Blackbird, Western Meadowlark, Marsh Wren, Willow Flycatcher in background. Bird flutters among marsh reeds at times.
QP09 1052 Wetlands marsh day birds spacious V2 5.0.wav	Freshwater marsh daytime with prominent Yellow-headed Blackbird also Yellow-rumped Warbler in background. Flies swarming in distance.
QP09 1053 Wetlands marsh day birds spacious V3 5.0.wav	Freshwater marsh daytime with prominent Yellow-headed Blackbird. Yellow-rumped Warbler in background.
QP09 1054 Wetlands marsh day Sandhill Crane V1 5.0.wav	Freshwater marsh day with featured Sandhill Crane. Marsh Wren, Red-winged Blackbird in background.
QP09 1055 Wetlands marsh day Sandhill Crane V2 5.0.wav	Freshwater marsh with Sandhill Crane and Virginia Rail with Red-winged Blackbird, Marsh Wren, Canada Goose in background.
QP09 1056 Wetlands marsh day Snow Goose flock 5.0.wav	Massive snow goose flock takes flight with increases in calls then circle back calling. Canada goose background.
QP09 1057 Wetlands marsh day wind 5.0.wav	Freshwater marsh bordering on woodland is windy. Minor faint water laps. Distant American Robin, Song Sparrow, Ring-necked Pheasant.
QP09 1058 Wetlands marsh late afternoon wind 5.0.wav	Freshwater marsh in late afternoon is windy, muffling all bird sounds to become indistinct. Background contains Baird's Sparrow, Vesper Sparrow, Western Meadowlark, cricket chorus and Boreal Chorus Frogs.
QP09 1059 Wetlands marsh late afternoon wind birdsong 5.0.wav	Freshwater marsh windy late afternoon Song Sparrow with Canada Goose, Mallard, Ring-necked Pheasant in background. Rustle of reeds. Peaceful and subdued.
QP09 1060 Wetlands marsh evening wind 5.0.wav	Freshwater marsh late afternoon wind through reeds. Subdued distant calls of Song Sparrow, Canada Goose, Red-winged Blackbird, Western Meadowlark, Peaceful. Deep roar is approaching gust.
QP09 1061 Wetlands marsh late evening frogs distant 5.0.wav	Freshwater marsh is quiet except for Boreal Chorus Frogs, Sora, and faint distant water with Nelson's Sparrow.
QP09 1062 Wetlands pond quiet frogs 5.0.wav	Pond is quiet except for very distant Pacific Chorus Frogs.
QP09 1063 Wetlands pond early morning bullfrogs 5.0.wav	Early morning pond with Bullfrogs well spaced and cricket chorus distant. Barn Owl give occasional screech. Close bark is Bullfrog.
QP09 1064 Wetlands pond early morning birds 5.0.wav	Wetlands pond early morning birdsong from adjacent woodland with faint hum of mosquitoes and trill of crickets. Prothonotary Warbler most active with Northern Cardinal, Red-eyed Vireo, Great Crested Flycatcher, Tufted Titmouse, Barred Owl, Yellow-billed Cuckoo present in background. Occasional water movement of stalking animal.
QP09 1065 Wetlands pond early morning birds coyotes 5.0.wav	Early morning pond with coyote chorus and prominent Western Kingbird. Also present are Barn Swallow, American Coot, Mourning Dove, Vesper Sparrow, Killdeer, Western Meadowlark, Common Yellowthroat with background of Sora, Gray Catbird, American Bittern and Boreal Chorus Frogs. Some flight activity with water landing. Charming.
QP09 1066 Wetlands pond morning birds 5.0.wav	Pond morning with Black-headed Grosbeak prominent. Also Yellow Warbler, American Coot, Mourning Dove, Brown-headed Cowbird, Yellow-headed Blackbird, Tree Swallow, Western Meadowlark, Black-capped Chickadee. Background with Bullock's Oriole, Red-naped Sapsucker drumming. Some water splashes from fish feeding. Clear and spacious.
QP09 1067 Wetlands pond late morning birds winged insects 5.0.wav	Late morning birds on pond with prominent Ruddy Duck male display knocking sounds. Also American Robin, Tree Swallow, Bullock's Oriole, Western Meadowlark, Spotted Towhee, Red-winged Blackbird, In background are Dusky Flycatcher, Northern Flicker, Yellow Warbler. Faint insects in flight.

FILENAME	DESCRIPTION
QP09 1068 Wetlands pond day birds 5.0.wav	Pond daytime activity includes prominent Canada Goose in flight, landing, and on pond. Distant Red-winged Blackbird, American Robin, Red Crossbill. Faint rushing water. Ample relaxed daytime ambience as well as active moments.
QP09 1069 Wetlands pond day Canada Goose flyby 5.0.wav	Pond daytime with Canada Goose in flight honking dramatically. Song Sparrow, Common Yellowthroat, Northern Cardinal, American Crow, Red-bellied Woodpecker, Ovenbird also present. Distant Rose-breasted Grosbeak.
QP09 1070 Wetlands pond day Canada Goose 5.0.wav	Pond daytime activity with prominent Canada Goose in flight and on pond. Echoes of Western Meadowlark. Also present are Mourning Dove, Brown-headed Cowbird, American Robin with Yellow-breasted Chat in background. Ear catching.
QP09 1071 Wetlands pond day beaver 5.0.wav	Beaver on pond splashes and breaths dramatically with Boreal Chorus Frogs in background. Also present is faintly flowing water, American Bittern and Northern Flicker.
QP09 1072 Wetlands pond day insects birds 5.0.wav	Pond during day is quiet and peaceful with humming insects in flight. Bird active in reeds occasionally. Some water lapping but rarely. Eastern Kingbird, Mourning Dove distant. American Goldfinch, Spotted Towhee, Black-capped Chickadee, Yellow Warbler very distant. Insect trills.
QP09 1073 Wetlands pond day leafy breeze birds 5.0.wav	Pond daytime gentle breeze has leafy detail with distant birds and winged insect hum. Birds include Red-winged Blackbird, American Coot, Eastern Kingbird. Gentle and peaceful.
QP09 1074 Wetlands pond evening breeze crickets 5.0.wav	Pond evening with Bullfrogs, breeze wispy, crickets. Faint Great Horned Owl and Mourning Dove. Quietly spacious.
QP09 1075 Wetlands pond evening birds frogs trout V1 5.0.wav	Pond evening with birds, Pacific Chorus Frogs and feeding trout on winged insects. Birds include prominent Red-winged Blackbird and Killdeer. Also present are Ruddy Duck, Mourning Dove. Faint in background are Bullock's Oriole, Spotted Towhee, American Robin, Common Poorwill, Western Meadowlark, Tree Swallow. Detailed spacious activity.
QP09 1076 Wetlands pond evening birds frogs trout V2 5.0.wav	Pond evening with birds and feeding trout on winged insects. Birds include prominent Tree Swallow, Red-winged Blackbird. Background with Killdeer, Northern Flicker, Spotted Towhee, Western Meadowlark, American Coot, Bullock's Oriole. Far background with Black-headed Grosbeak, Dusky Grouse, Mourning Dove, Yellow Warbler. Pacific Chorus Frogs are intermittent.
QP09 1077 Wetlands pond evening birds frogs trout V3 5.0.wav	Pond evening with birds, Pacific Chorus Frogs and feeding trout on winged insects. Birds include Red-winged Blackbird, Common Poorwill with Spotted Towhee, Mourning Dove, Spotted Sandpiper, Wilson's Snipe, American Robin, Killdeer. Trout splashes are distinct and frequent.
QP09 1078 Wetlands pond evening birds frogs trout V4 5.0.wav	Pond evening with birds and feeding trout on winged insects. Birds include prominent Red-winged Blackbird, Mourning Dove and Black-headed Grosbeak, Yellow-headed Blackbird, American Coot, Spotted Sandpiper, Killdeer, Western Meadowlark, Tree Swallow in background. American Robin, Vesper Sparrow, Bullock's Oriole are faint. Two Pacific Chorus Frogs present in foreground at times.
QP09 1079 Wetlands lake late evening frogs toads loons 5.0.wav	Late evening on wilderness lake with Spring Peepers and American Toads before haunting call s of Common Loon.
QP09 1080 Wetlands springs desert morning bird feeding 5.0.wav	Forster's Tern call and swoop back and forth across desert springs feeding with light breeze through reeds. Faint crickets at times.
QP09 1081 Wetlands springs desert day wind 5.0.wav	Breeze at desert springs with faint crickets and occasional splash from feeding Forster's Tern. Delicate lapping water at times. Winged insect and distant bird call near end.
QP09 1082 Wetlands springs desert evening breeze 5.0.wav	Breeze at desert springs with delicate lapping water at times. Dry reeds produce squeaky leaf rustle details. Peaceful isolated feel. Mallard Duck quacks in flight near end. Widely applicable to wetlands backgrounds.
QP09 1083 Wetlands bird on water takeoff 5.0.wav	Isolated take off of single bird from surface of lake.
QP09 1084 Wetlands bird lands on water 5.0.wav	American Coot lands on surface of water and makes coot sound.
QP09 1085 Wetlands bird hurries across water 5.0.wav	Bird with webbed feet hurries across water surface to relocate.
QP09 1086 Wetlands bird hurry across water squeaking 5.0.wav	Birds hurry across water making squeaky calls.
QP09 1087 Wetlands bird waterplay 5.0.wav	Water activity of American Coot with coot sounds while Killdeer calls in far background.

FILENAME	DESCRIPTION
QP09 1088 Wetlands bird Mallard Duck quacks flying 5.0.wav	Mallard Duck flies quickly across from right to left while quacking, isolated.
QP09 1089 Wetlands pond bird Mallard Duck quacks repeatedly V1 5.0.wav	Mallard Duck quacks repetitively and intermittently with Willow Flycatcher, Red-winged Blackbird, Yellow Warbler and Mourning Dove in background.
QP09 1090 Wetlands pond bird Mallard Duck quacks repeatedly V2 5.0.wav	Mallard Duck quacks repetitively in isolation. Use at lower volumes to place in distance.
QP09 1091 Wetlands bird American Coot 5.0.wav	American Coot calls in short series.
QP09 1092 Wetlands bird Ruddy Duck V1 5.0.wav	Ruddy Duck tail knock.
QP09 1093 Wetlands bird Ruddy Duck V2 5.0.wav	Ruddy Duck tail knock.
QP09 1094 Wetlands bird Canada Goose V1 5.0.wav	Canada Goose honks continuously with echoes.
QP09 1095 Wetlands bird Canada Goose V2 5.0.wav	Canada Goose honks continuously with echoes as more geese land quietly then honk back.
QP09 1096 Wetlands bird Canada Goose honking flight 5.0.wav	Canada Goose honks loudly while flying left to right. Wilson's Snipe faintly calls in background.
QP09 1097 Wetlands bird Red-Winged Blackbird call V1 5.0.wav	Single piercing note of Red-winged Blackbird.
QP09 1098 Wetlands bird Red-Winged Blackbird call V2 5.0.wav	Red-winged Blackbird gives single mid-toned single note call.
QP09 1099 Wetlands bird Red-winged Blackbird chirping 5.0.wav	Red-winged Blackbird gives three quick chirps.
QP09 1100 Wetlands bird Red-winged Blackbird chirping flight V1 5.0.wav	Red-winged Blackbird flies chirping quickly from left to right.
QP09 1101 Wetlands bird Red-winged Blackbird chirping flight V2 5.0.wav	Two Red-winged Blackbirds chirp and move about prominently in reeds with very distant other birds.
QP09 1102 Wetlands bird Red-winged Blackbird song V1 5.0.wav	Single call of Red-winged Blackbird.
QP09 1103 Wetlands bird Red-winged Blackbird song V2 5.0.wav	Single call of Red-winged Blackbird.
QP09 1104 Wetlands bird Red-winged Blackbird song V3 5.0.wav	Single call of Red-winged Blackbird.
QP09 1105 Wetlands bird Red-winged Blackbird song V4 5.0.wav	Single call of Red-winged Blackbird.
QP09 1106 Wetlands bird Red-winged Blackbird song V5 5.0.wav	Single call of Red-winged Blackbird.
QP09 1107 Wetlands bird Red-winged Blackbird song V6 5.0.wav	Single call of Red-winged Blackbird.
QP09 1108 Wetlands bird Red-winged Blackbird song V7 5.0.wav	Single call of Red-winged Blackbird.
QP09 1109 Wetlands bird Red-winged Blackbird song V8 5.0.wav	Single call of Red-winged Blackbird.
QP09 1110 Wetlands bird Yellow-headed Blackbird song V1 5.0.wav	Single call of Yellow-headed Blackbird.
QP09 1111 Wetlands bird Yellow-headed Blackbird song V2 5.0.wav	Single call of Yellow-headed Blackbird. Others in background at end. Slight breeze.
QP09 1112 Wetlands bird Yellow-headed Blackbird song V3 5.0.wav	Single call of Yellow-headed Blackbird.
QP09 1113 Wetlands bird Yellow-headed Blackbird song V4 5.0.wav	Single call of Yellow-headed Blackbird.
QP09 1114 Wetlands bird Sandhill Crane V1 5.0.wav	Sandhill Crane calls loudly from distance.
QP09 1115 Wetlands bird Sandhill Crane V2 5.0.wav	Sandhill Crane calls spaciouly but close. Faint bird chirps in background.
QP09 1116 Wetlands bird Sandhill Crane V3 5.0.wav	Sandhill Crane calls.
QP09 1117 Wetlands bird Sandhill Crane V4 5.0.wav	Sandhill Crane short call.

FILENAME	DESCRIPTION
QP09 1118 Wetlands bird Sandhill Crane V5 5.0.wav	Sandhill Crane short call.
QP09 1119 Wetlands bird quick shriek 5.0.wav	Single quick note of unidentified bird.
QP09 1120 Wetlands bird Barn Swallow chirps 5.0.wav	Quick two-note chirp of Barn Swallow.
QP09 1121 Wetlands bird House Finch song V1 5.0.wav	Quick various song of House Finch.
QP09 1122 Wetlands bird House Finch song V2 5.0.wav	Repetitive quick chirping song of House Finch.
QP09 1123 Wetlands bird Willow Flycatcher 5.0.wav	Repetitive chirping song of Willow Flycatcher.
QP09 1124 Wetlands bird Sora 5.0.wav	Distinctive call of Sora with chirping Virginia Rail in background.
QP09 1125 Wetlands bird Common Loon wail V1 5.0.wav	Long haunting and echoing call of Common Loon. Definitive of wilderness character on large lakes.
QP09 1126 Wetlands bird Common Loon wail V2 5.0.wav	Long haunting and echoing call of Common Loon.
QP09 1127 Wetlands bird Common Loon tremolo 5.0.wav	Tremolo of Common Loon.
QP09 1128 Wetlands bird Forsters Tern 5.0.wav	Forster's Tern flies calling right to left.
QP09 1129 Wetlands frog Pacific Chorus Frog few 5.0.wav	Small grouping of Pacific Chorus Frogs begin and end in near silence. Faint distant river echoes in background.
QP09 1130 Wetlands frog Pacific Chorus Frog many 5.0.wav	Many Pacific Chorus Frogs in chorus moderately distant.
QP09 1131 Wetlands frog Pacific Chorus Frog thousands 5.0.wav	Countless Pacific Chorus Frogs in distance. Strong dominating presence.
QP09 1132 Wetlands frog Pacific Chorus Frog thousands distant V1 5.0.wav	Countless Pacific Chorus Frogs in distance build and subside slightly during late night. Pure and dominating character.
QP09 1133 Wetlands frog Pacific Chorus Frog thousands distant V2 5.0.wav	Very distant and continuous countless Pacific Chorus Frogs produce textured tone in very late night when auditory horizon is greatest.
QP09 1134 Wetlands frog Pacific Chorus Frog many distant V1 5.0.wav	Many Pacific Chorus Frogs moderately distant.
QP09 1135 Wetlands frog Pacific Chorus Frog many distant V2 5.0.wav	Distant numerous Pacific Chorus Frogs gradually subside and then build again. Use late night as temperatures drop towards freezing.
QP09 1136 Wetlands frog Spring Peepers few 5.0.wav	Spacious moderately distant Spring Peeper chorus.
QP09 1137 Wetlands frog toad chorus many 5.0.wav	Many Spring Peepers in chorus with long trills of American Toad. Use late evening early night. Occasional very faint drops on water.
QP09 1138 Wetlands frog toad chorus busy V1 5.0.wav	Gray Treefrogs and Spring Peepers dominate chorus with faint trills of American Toad in background. Busy, yet distinctive.
QP09 1139 Wetlands frog toad chorus busy V2 5.0.wav	Gray Treefrogs and Spring Peepers dominate chorus with very faint trills of American Toad in background.
QP09 1140 Wetlands frog toad chorus busy V3 5.0.wav	Complex chorus of Gray Treefrogs and Spring Peepers with American Toads present in background. Busy.
QP09 1141 Wetlands frog toad chorus busy V4 5.0.wav	Chorus of Gray Treefrogs and Spring Peepers. Faint toad trills distant background.
QP09 1142 Wetlands frog toad chorus busy V5 5.0.wav	Chorus of American Toads (trills), Spring Peepers (peeps), and Gray Treefrogs (clucking).
QP09 1143 Wetlands frog toad chorus crickets 5.0.wav	Chorus of American Toads and Spring Peepers dominate foreground with Fowler's Toads and crickets in background.
QP09 1144 Wetlands frog toad chorus dawn 5.0.wav	Chorus of American Toads and Gray Treefrogs in foreground with occasional calls of Pickerel Frog in background. Faint birds are Tree Swallow and Gray Catbird indicating onset of the dawn chorus.
QP09 1145 Wetlands frog toad chorus dawn insects 5.0.wav	Sparse chorus of American Toads with occasional Southern Leopard Frog and Pickerel Frog. Distant cricket chorus.
QP09 1146 Wetlands frog insects V1 5.0.wav	Insects trill while Northern Cricket Frogs click.
QP09 1147 Wetlands frog insects V2 5.0.wav	Northern Cricket Frogs click in chorus, insects trill in background. Occasional Cope's Gray Treefrog.
QP09 1148 Wetlands frog chorus diverse 5.0.wav	Northern Cricket Frogs, Cope's Gray Treefrogs, Bullfrogs, and Green Frogs in chorus. Insects trill in far background.
QP09 1149 Wetlands frog chorus insects birds 5.0.wav	Cope's Gray Treefrogs and Northern Cricket Frogs give well spaced chorus. Faint Wood Thrush and fainter Mourning Dove in background with insect trills.

FILENAME	DESCRIPTION
QP09 1150 Wetlands frog toad chorus close 5.0.wav	Cope's Gray Treefrogs and American Toads in concert. Cricket in background.
QP09 1151 Wetlands frog toad chorus honks clicks clucks 5.0.wav	Chorus of Green Treefrogs, Northern Cricket Frogs, Cope's Gray Treefrogs, Green Frogs, and Bullfrog. Yellow-crowned Night-Heron briefly in background.
QP09 1152 Wetlands frog toad chorus clucks trills 5.0.wav	Chorus of Cope's Gray Treefrogs and American Toads. Birds faint in background at times include Summer Tanager and Northern Cardinal.
QP09 1153 Wetlands frog toad chorus spacious trills 5.0.wav	Spacious early morning chorus of American Toads and distant Northern Cricket Frogs later joined by Northern Cricket Frogs dominate with very distant Cope's Gray Treefrogs in background. Southern Leopard Frog and Bullfrog toward end. Faint occasional Eastern Whip-poor-will, Yellow-billed Cuckoo, Barred Owl.
QP09 1154 Wetlands frog chorus few spacious 5.0.wav	Spring Peepers, Green Frogs, and Southern Leopard Frogs with Bullfrog near end of recording. Eastern Whip-poor-will at times in background.
QP09 1155 Wetlands frog Spring Peeper V1 5.0.wav	Spring Peeper calls, isolated and well spaced apart.
QP09 1156 Wetlands frog Spring Peeper V2 5.0.wav	Spring Peeper isolated with expressive calls.
QP09 1157 Wetlands frog Spring Peeper chorus few V1 5.0.wav	Small group of Spring Peepers spaced apart. Extremely distant barking in background.
QP09 1158 Wetlands frog Spring Peeper chorus few V2 5.0.wav	Small group of Spring Peepers spaced apart.
QP09 1159 Wetlands frog Pacific Chorus Frog croak 5.0.wav	Pacific Chorus Frog, single croak.
QP09 1160 Wetlands frog Pacific Chorus Frog croak slow 5.0.wav	Single long croak by Pacific Chorus Frog. Very distant river.
QP09 1161 Wetlands frog Pacific Chorus Frog few 5.0.wav	Small group of Pacific Chorus Frogs.
QP09 1162 Wetlands frog Boreal Chorus Frogs few V1 5.0.wav	Boreal Chorus Frogs in foreground start and stop naturally with Great Horned Owl pair in far background.
QP09 1163 Wetlands frog Boreal Chorus Frogs few V2 5.0.wav	Well spaced Boreal Chorus Frogs.
QP09 1164 Wetlands frog single call 5.0.wav	Quick chatter of frog too short to identify.
QP09 1165 Wetlands frog Southern Leopard Frog 5.0.wav	Six isolated calls of Southern Leopard Frog in naturally timed sequence. Sounds rubbery.
QP09 1166 Wetlands frog Bullfrog distant 5.0.wav	Bullfrog gives series. Use full series sparingly, nearly one minute apart.
QP09 1167 Wetlands frog Bullfrog mod close 5.0.wav	Bullfrog calls six times in isolation.
QP09 1168 Wetlands frog Bullfrogs chorus short 5.0.wav	Three bullfrogs call in isolation.
QP09 1169 Wetlands pond frog Bullfrog chorus V1 5.0.wav	Bullfrogs croak with Southern Leopard Frogs while unknown animal rustles about occasionally in bushes. Eastern Whip-poor-will and Barred Owl in very distant background.
QP09 1170 Wetlands pond frog Bullfrog chorus V2 5.0.wav	Bullfrogs predominate in quiet with occasional calls from Southern Leopard Frogs. Barred Owl in distance at times.
QP09 1171 Wetlands insect chorus gentle spacious 5.0.wav	Cricket chorus gentle and spacious.
QP09 1172 Wetlands insect mosquito close twice 5.0.wav	Mosquito close, twice.
QP09 1173 Wetlands insect mosquito close once V1 5.0.wav	Close mosquito hovers then lands, quickly.
QP09 1174 Wetlands insect mosquito close once V2 5.0.wav	Mosquito close hovers briefly.
QP09 1175 Wetlands insect mosquito close once V3 5.0.wav	Mosquito close hovers briefly.
QP09 1176 Wetlands insect mosquito cloud V1 5.0.wav	Mosquito cloud, high-pitched, subsides and builds again. Close mosquitoes at times.
QP09 1177 Wetlands insect mosquito cloud V2 5.0.wav	Mosquito cloud pitch changes with inaudible breeze, distant stream gurgle and faint Western Meadowlark.
QP09 1178 Wetlands insect mosquito cloud V3 5.0.wav	Mosquito cloud pitch changes with inaudible breeze, distant stream gurgle.
QP09 1179 Wetlands mammal beaver tail slap 5.0.wav	Beaver tail slaps water with resounding thud.
QP09 1180 Wetlands fish splash small 5.0.wav	Fish splash, small trout rising to feed on insect.

FILENAME	DESCRIPTION
QP09 1181 Wetlands fish splash small closer 5.0.wav	Fish splash, small close trout rising to feed on insect.
QP09 1182 Wetlands fish splash tail flop 5.0.wav	Fish splash is floppy with tail action. Trout.
QP09 1183 Wetlands lake lap birds fish V1 5.0.wav	Water laps at pond edge with bird and fish splash. Birds include Blue Jay and distant Red-bellied Woodpecker.
QP09 1184 Wetlands lake lap birds fish V2 5.0.wav	Water laps with distant Wood Thrush, Northern Rough-winged Swallow with Blue Jay, Northern Cardinal in far background. Slight breeze at times.
QP09 1185 Wetlands lake lap birds V1 5.0.wav	Water laps gently with Carolina Wren, White-eyed Vireo in background.
QP09 1186 Wetlands lake lap birds V2 5.0.wav	Water laps gently with background of American Robin, Song Sparrow, Common Yellowthroat and very distant Band-tailed Pigeon, Red-winged Blackbird.
QP09 1187 Wetlands lake lap gentle 5.0.wav	Water laps gently from moderate distance.
QP09 1188 Wetlands lake lap close enclosed V1 5.0.wav	Water laps gently close and distant as heard from enclosed area among boulders.
QP09 1189 Wetlands lake lap close enclosed V2 5.0.wav	Water laps gently at distance but very close at times.
QP09 1190 Wetlands lake lap gentle splashy 5.0.wav	Water laps moderately on boulder shore. Very distant bird at times.
QP09 1191 Wetlands lake lap gentle gurgly 5.0.wav	Water laps gently with gurgles in boulders.
QP09 1192 Wetlands lake lap gentle enclosed 5.0.wav	Water laps gently between boulders.
QP09 1193 Wetlands lake lap gentle bubbly 5.0.wav	Water laps gently with small splashes and bubbles.
QP09 1194 Wetlands lake lap moderate splashes distant 5.0.wav	Water laps shoreline moderately splashy and moderate distance.
QP09 1195 Wetlands lake lap moderate splashes close 5.0.wav	Water laps moderately.
QP09 1196 Wetlands lake lap moderate plops close V1 5.0.wav	Water laps gently with plopping sounds among boulders.
QP09 1197 Wetlands lake lap moderate plops close V2 5.0.wav	Water laps moderately with plopping sounds among boulders.
QP09 1198 Wetlands lake lap moderately birds 5.0.wav	Water laps moderately with distant bird calls.
QP09 1199 Wetlands lake lap choppy 5.0.wav	Water laps choppy on rocky shore.
QP09 1200 Wetlands lake lap waves 5.0.wav	Water laps on rocky shore are busy with some deeper gurgles among boulders.
QP09 1201 Wetlands lake lap waves enclosed 5.0.wav	Water laps moderately among rocks with distant birds at times. Enclosed feel.
QP09 1202 Wetlands lake waves 5.0.wav	Waves on lake choppy and busy.
QP09 1203 Wetlands lake waves enclosed 5.0.wav	Waves on lake surge and gurgle among enclosing rocks.
QP09 1204 Wetlands lake lap quiet 5.0.wav	Distant water laps on lake. Use for background presence of water.
